ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Port Huron Housing Commission's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

GENERAL STATEMENT:

The PHHC may convert to an electronic format for various modes of communication with applicants with respect to the application process and contact attempts during application/waiting list process, as well as various contacts with current residents regarding any and/or all necessary communication.

It is therefore necessary for the tenant family to provide an e-mail address to receive such communication. It is the responsibility of the tenant family to keep the PHHC updated with a current e-mail address. The PHHC will not be liable for the Tenant not receiving communication due to invalid, outdated and/or expired e-mail addresses.

It should be understood that, throughout this policy, any reference made to a method of applying for program assistance, or applicants and/or current residents being contacted by any means (i.e., via mail, etc...) should also be interpreted to include the method of contact via electronic format.

WAITING LIST, TENANT SELECTION AND ASSIGNMENT

1.0 FAIR HOUSING

Refer to Equal Housing-Fair Housing-Civil Rights Compliance Policy.

(Including PHHC policy on HUDs Equal Access Rule)

2.0 REASONABLE ACCOMMODATION

Refer to Reasonable Accommodation Policy.

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the PHHC housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. The Reasonable Accommodation Policy clarifies how people can request accommodations and the guidelines the PHHC will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the PHHC will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

Legitimate reasonable accommodation requests shall be granted if possible and not an undue financial and administrative burden to the PHHC. If the request is contrary to a HUD regulatory requirement and not an undue burden, the PHHC shall request a waiver of requirement from HUD.

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

3.0 SERVICES FOR LIMITED ENGLISH PROFICIENCY (LEP) APPLICANTS AND RESIDENTS

The PHHC shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The PHHC shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program.
- C. The nature and importance of the program, activity, or service provided by the program; and
- D. The resources available to the PHHC and costs.

Depending upon what this analysis reveals, the PHHC may or may not prepare a Language Assess Plan (LAP). If a LAP is needed, the guidance outlined in the above referenced notice shall be utilized.

In addition, the PHHC will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the PHHC shall utilize multi-lingual "I speak" cards to the maximum degree possible." ("I speak" cards can be found at the Census Bureau's website.)

4.0 FAMILY OUTREACH

The Port Huron Housing Commission will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Port Huron Housing Commission will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Port Huron Housing Commission will also try to utilize public service announcements.

The Port Huron Housing Commission will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Port Huron Housing Commission will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

7.0 TAKING APPLICATIONS

Families wishing to receive program assistance under the Public Housing Program will be required to complete an application for housing assistance.

A two-step process will be used. Under the two-step process, the PHHC will initially require the applicant family to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will then be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list. The Commission will screen and ensure that all verifications of all preferences, eligibility, suitability and selection factors are current (less than 60 calendar days old) in order to determine the family's final eligibility for program admission.

Applications will be available during regular business hours at the PHHC Administrative office located at:

905 Seventh Street, Port Huron MI 48060

Applications will also be available via online by accessing the PHHC's website at:

www.phhousing.org

Applications may also be mailed to interested families upon request.

Applications are taken to compile a waiting list. Due to the demand for housing in the Port Huron Housing Commission's jurisdiction, the Port Huron Housing Commission may take applications on an open enrollment basis, depending on the length of the waiting list. Completed applications will be accepted for all applicants and the PHHC will verify the information. Applicants will be provided the opportunity to complete the information on form HUD-92006, Supplement to Application for Federally Assisted Housing. The form gives applicants the option to identify an individual or organization that the Housing Commission may contact and the reason(s) the individual or organization may be contacted. The applicants, if they choose to provide the additional contact information, must sign and date the form.

If the applicant chooses to have more than one contact person or organization, the applicant must make clear to the Housing Commission the reason each person or organization may be contacted. The Housing Commission will allow the applicant to complete a form HUD-92006 for each contact and indicating the reason the

Housing Commission may contact the individual or organization. For example, the applicant may choose to have a relative as a contact for emergency purposes and an advocacy organization for assistance for tenancy purposes.

Those applicants who choose not to provide the contact information should check the box indicating that they “choose not to provide the contact information” and sign and date the form.

Applications for certain targeted populations/preferences may be accepted during times when the waiting list is closed. Please see the Preferences Section for further information.

The PHHC will inform all applicants of the available waiting list preferences at the time of pre-application. The PHHC will give each applicant an opportunity to claim the preference by self-certification during the initial application process.

Applications may be mailed or returned in person to the Port Huron Housing Commission, during open enrollment at 905 Seventh Street, Port Huron MI 48060 during normal business hours. Applications must be complete in order to be accepted by the PHHC for processing. If an application is incomplete, the PHHC will notify the family of the additional information required (provided contact information is available), and hold the application for a maximum of 104 calendar days from the date of notification of the additional information required.

All applications should be accompanied with a photo I.D for all household members 18 years of age and older.

The completed application will be dated and time stamped upon its return to the Port Huron Housing Commission.

Upon receipt of the families completed application, the Port Huron Housing will make a preliminary determination of eligibility. The PHHC will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered, and of their responsibility to notify the PHHC in writing of any changes in their application status. If the PHHC determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

The applicant may at any time report changes in their application status including changes in family composition, income and address or preference factor. All changes must be in writing, dated, and signed by the applicant. The Commission will note them on the application file and will update them on the Waiting List, when required.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they so desire.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Port Huron Housing Commission to make special

arrangements. Telecommunication Services for the Deaf (TDD) are available through the State of Michigan's "Michigan Relay Service".

All applicants and/or families already on a waiting list will be provided with the option of having their names placed on any and all open waiting lists maintained by the PHHC. If the PHHC adds new programs, such as a project-based voucher program, the PHHC will notify existing participants and new applicants by utilizing the same means it would use in opening its waiting list under 24 CFR 982.206(a) such as by (1) advertising through local and minority newspapers and the internet; (2) local postings at the PHHC, post offices, libraries, and community centers; and (3) outreach to social service organizations that may serve the same clientele that will be occupying the PBV units. The PHHC will not notify each family on the tenant-based waiting list by individual notice.

C. CITIZENSHIP/ELIGIBILITY STATUS

1. To be eligible each member of the family must be a citizen, national, or a NON-CITIZEN who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a (a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or

the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 13.6 for calculating rents under the NON-CITIZEN rule.)
 - c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.
 - d. All adults must be able to sign the lease. If the State of Michigan forbids individuals with ineligible immigration status from executing contracts (i.e. leases or other legal binding documents) then they are ineligible for this program.

To be eligible for program assistance, applicant and participant household members (including live-aides, foster children and foster adults) must disclose his/her SSA assigned SSN and must provide acceptable evidence/documentation of each disclosed SSN with the exception of the following individuals:

1. Those individuals who do not contend to have eligible U.S. citizenship or eligible immigration status (individuals who may be unlawfully present in the United States). These individuals in most instances would not be eligible for a SSN.
 - a. A family that consists of a single household member (including a pregnant individual) who does not have eligible U.S. citizenship or eligible immigration status is not eligible for housing assistance and cannot be housed.
 - b. A family that consists of two or more household members and at least one member that has eligible U.S. citizenship or eligible immigration status, is classified as a mixed family, and **IS eligible** for prorated assistance in accordance with 24 CFR 5.520. The PHHC **will not** deny assistance to mixed families due to non-disclosure of an SSN by an individual who does not contend to have eligible immigration status.

Note: Financial assistance may only be provided to individuals with eligible immigration status in accordance with 42 USC §1436a, which is generally evidenced by the individual providing his/her Green Card (Form I-551 – U.S. Permanent Residence Card) or other documentation approved by the Department of Homeland Security for noncitizens with refugee or asylee status.

2. Existing program participants who, as of January 31, 2010 were 62 years of age or older (born on or before January 31, 1948, and have not previously disclosed a valid SSN. This exemption continues even if the individual moves to a new assisted unit.

If any family member of an applicant family indicates they have a Social Security Number, but cannot verify it, the family cannot be assisted until verification is provided. If the Social Security number of each household member cannot be provided to the PHHC within 10 calendar days of it being requested, the family shall be removed from the waiting list. Within the 10 calendar day period, if all household members have not disclosed their SSN at the time a unit becomes available, the PHHC must offer the available unit to the next eligible applicant family on the waiting list.

Note: An individual who previously declared to have eligible immigration or eligible citizenship status may **not** change his/her declaration to no longer contend to have eligible immigration status to avoid compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance of these requirements.

Prior to admission, every family member, **must provide** the PHHC with a complete and accurate Social Security number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member became a member of the household within 6 months prior to the date of admission and is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The PHHC shall grant one ninety (90) calendar day extension for newly-added family members under the age of six, if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person. If the Social Security Number is not provided within the time period required, their assistance shall be terminated.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The PHHC shall grant one ninety (90) calendar day extension from termination if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the PHHC will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

(Refer to section 12.2 and 12.4 for Acceptable methods of Verification)
(Refer to notice PIH 2018-24 for additional guidance.)

E. SIGNING CONSENT FORMS

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Port Huron Housing Commission to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Port Huron Housing Commission to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing the Port Huron Housing Commission and HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;

 - b. Be a legally emancipated minor and provide court/legal documentation; or
 - c. Have a legal guardian or person appointed by the court for a Head of Household who is at least 18 years of age but has been determined by court documentation not able to be held legally responsible for themselves.

G. SPECIAL COLLEGE STUDENT ELIGIBILITY RULES

In order to be eligible for public housing, college students living outside their parents or guardians homes must have established a separate household for at least one year prior to applying to the public housing program. This will be verified by presenting to the PHHC evidence of the establishment of the separate household.

The college student must not be claimed as a dependent by parents or guardians on their IRS returns. This will be verified by examining the student's IRS return for the previous year. The PHHC will examine the box that asks if someone else claimed them on their tax return.

If the student is receiving an athletic scholarship that includes over \$5000 a year for housing costs, the student shall not be eligible for public housing.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Port Huron Housing Commission will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Commission employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Port Huron Housing Commission will consider objective and reasonable aspects of the family's background, including the following:

1. History of meeting financial obligations, especially rent and any utility payments;
2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent, safe, and sanitary condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or wellbeing of other tenants or staff or cause damage to the property;
4. History of disturbing neighbors or destruction of property;
5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
6. History of abusing alcohol or drugs in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

In deciding whether to exercise discretion to admit an individual or household that has engaged in criminal activity, the PHHC will consider all of the circumstances relevant to the particular admission decision, including but not limited to: the seriousness of the offending action; the effect that denial of the entire household would have on family members not involved in the criminal activity; and the extent to which the applicant family member has taken all reasonable steps to prevent or mitigate the criminal activity.

- C. The Port Huron Housing Commission will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Port Huron Housing Commission will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse and co-head, and any other adult family members;
 2. Rental history check of all adult family members for the most recent 5 year period;

3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through resources available to the PHHC which may include, but not limited to, I-CHAT, OTIS, Court Records, etc., and may also be made through state or local law enforcement when necessary.
4. Where the individual has lived outside the local area, the Port Huron Housing Commission may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Port Huron Housing Commission.

Any "privileged" information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Port Huron Housing Commission who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Port Huron Housing Commission's action has expired without a challenge or final disposition of any litigation has occurred;

5. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
6. A check of the State's sex offender registration program for each household member, including live-in aides. No household with a member who has a lifetime registration requirement under a State sex offender registration program will be admitted to public housing. Households who have a member with a registration requirement less than "lifetime" will be reviewed on a case by case basis. The Port Huron Housing Commission will check the Dru Sjodin National Sex Offender Database (which is hosted by the U. S. Department of Justice), located at: <http://www.nsopw.gov>. This searchable database, combines the data from individual state offender registries. In addition, during the certification and re-certification process, each household will be asked whether **any** member is subject to any registration requirement under a state sex offender

registry program, including minors residing in the household. A false answer to this question may be grounds for eviction/denial.

7. Verification from all Utility Companies that a member of the household can obtain services in their name.

When criminal records are used for the purposes to deny admission (or eviction or lease enforcement action) for criminal activity as shown by the criminal record, or the Sex Offender Registration, the PHHC will notify the household of such action, and will provide the subject of the record, and the applicant, with a copy of such information, and an opportunity to dispute the accuracy and the relevance of the record in writing within 14 calendar days. Applicants that are denied housing will be given a “Notice of Occupancy Rights under the Violence Against Women Act” which provides information on their rights and responsibilities under the Violence Against Women Act (VAWA). A copy of the HUD-approved Certification form shall also be provided with the notice. This opportunity will be provided before a denial of admission (or eviction or lease enforcement action on the basis of such information). (The cost of obtaining the criminal record check will not be passed along to the applicant.) (24 CFR 905 (d)) If the Port Huron Housing Commission does not receive the dispute within the allotted time, the applicant will be denied.

- D. No applicant for public housing who has been a victim of domestic violence, dating violence, sexual assault or stalking shall be denied admission into the program if they are otherwise qualified. (Refer to Section 25.0 of this policy for further information on the Violence Against Women Act Policy).

8.4 GROUNDS FOR DENIAL (24CFR 960.204)

The Port Huron Housing Commission is not required or obligated to assist applicants or members of the applicant’s household who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Has history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (or with assistance, have the ability to maintain) their housing in a decent, safe, and sanitary condition, or

have a history of living or housekeeping at prior residence that could adversely affect the health, safety, or welfare of other tenants;

- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well-being of other tenants or staff or cause damage to the property or if the person is a perpetrator in the violence against women act (refer to Section 25.0 of this policy for additional information);
- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any Housing Commission in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Have been evicted or terminated from a federally assisted housing program, for serious or repeated violations of the program within the last 12 months.
- K. Have been evicted from federally assisted housing within the past five (5) years because of drug-related criminal activity.

The five (5) year limit is based on the date of such eviction, not the date the crime was committed.

However, the Port Huron Housing Commission may admit the household if the Port Huron Housing Commission determines:

- 1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Port Huron Housing Commission; or
 - 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or otherwise no longer in the household).
- L. Are currently engaging in the illegal use of a drug. For purposes of this section, a member is “currently engaged in” the activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current. The use of marijuana is included in this ban. New admissions of medical marijuana users are

prohibited (this does not include FDA-approved marijuana synthetics). HUD has ruled that federal law pre-empts state law on this issue.

- M. The Port Huron Housing Commission determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- N. Have been convicted of a crime, with description and denial terms from the date of disposition or the date of sentencing, which ever date is provided/verified and or later, as follows:

Legal Conviction		Term of Denial
Description		<small>(All from date of Disposition or the date of sentencing, which ever date is provided/verified and or later)</small>
MISDEMEANOR CONVICTIONS (EXCEPT AS SPECIFIED OTHERWISE IN THIS POLICY)	NON-DRUG/NON - VIOLENT CRIMINAL RELATED	N/A

MAINTAINING A DRUG HOUSE IN FEDERALLY ASSISTED HOUSING		<p>The greater of:</p> <p>10 YEARS from the date of Disposition or the date of sentencing, which ever date is provided/verified and or later,</p> <p>or ;</p> <p>3 YEARS from the end date of a sentenced prison/jail/probation term for the conviction.</p>
ALCOHOL - 3 ALCOHOL RELATED CONVICTIONS WITHIN THE PAST 5 YEARS		<p>If previously denied, applicant family can be considered if/when none of the 3 convictions have a date of disposition within the last 24 months.</p>

- O. The Port Huron Housing Commission determines that it has reasonable cause to believe that a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- P. If any household member has engaged in or threatened abusive or violent behavior toward another resident, or Port Huron Housing Commission personnel, contractor, or agent.
- Q. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- R. Denied for Life: If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development or in a Section 8 assisted property, or on the premises of other federally assisted housing; and

S. SEX OFFENDERS:

1. Lifetime registration requirement under a state sex offender registration program will be denied for life.
2. Registration requirements for anything less than a lifetime registration requirement under a state sex offender registration program will be reviewed on a case-by-case basis, and a determination of eligibility will be made based on the degree of conviction and any other pertinent information.

T. Do not have the ability to obtain one or more utility services in a household member's name.

U. FOR SITUATIONS INVOLVING THE USE OF MEDICAL MARIJUANA, PLEASE REFER TO THE PHHCs "MEDICAL MARIJUANA POLICY".

V. Have been evicted or terminated from a public housing unit for knowingly permitting an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit. Such denials will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

If any household member is involved with a pending case in any of the situations listed above, the application will be put on "Hold", and no further processing of the application will be done until the PHHC has been provided adequate written documentation of the final determination/outcome. Once adequate written documentation has been provided, processing will continue based upon the information provided. If the PHHC does not receive adequate written documentation of the final determination/outcome within 2 weeks of the final determination/outcome, the application will be placed inactive and it will be necessary to re-apply.

If legal conviction has occurred in any of the situations listed above, program admission will be no earlier than the term of denial for such a conviction as listed above.

For denying an admission based on any criminal activity, an arrest record, alone, will not serve as sufficient evidence of criminal activity that can support an adverse admission decision. Before the PHHC denies admission to an individual or household on the basis of criminal activity by a household member or guest, it will determine that the relevant individual actually engaged in such activity.

An arrest record can trigger an inquiry into whether there is sufficient evidence to determine that a person engaged in disqualifying criminal

activity, but is not itself evidence on which to base a determination. The PHHC can utilize other evidence, such as police reports detailing the circumstances of the arrest, witness statements, and other relevant documentation to assist them in making a determination that disqualifying conduct occurred. Reliable evidence of a conviction for criminal conduct that would disqualify an individual for tenancy may also be the basis for determining that the disqualifying conduct in fact occurred.

If criminal records are used for the purposes to deny admission for criminal activity as shown by the criminal record, or the Sex Offender Registration, the PHHC will notify the household of the proposed action, and will provide the subject of the record, and the applicant with a copy of such information, and an opportunity to dispute the accuracy and the relevance of the record in writing within 14 calendar days. Applicants that are denied housing will be given a “Notice of Occupancy Rights under the Violence Against Women Act” which provides information on their rights and responsibilities under the Violence Against Women Act (VAWA). A copy of the HUD-approved Certification form shall also be provided with the notice. This opportunity will be provided before a denial of admission. (The cost of obtaining the criminal record check will not be passed along to applicant.) (24 CFR 905 (d)) If the Port Huron Housing Commission does not receive the dispute within the allotted time, the applicant will be denied.

Being a victim of domestic violence, dating violence, sexual assault or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The PHHC will require verification in all cases where an applicant claims protection, under VAWA, from an action proposed to be taken by the PHHC involving such individual. Types of acceptable verifications and any time line requirements are outlined in Section 25 of this policy,

In determining whether to deny assistance because of action or failure to act by members of the family, the PHHC may consider all relevant circumstances. (See section 8.5,D., “Consideration of Circumstances”)

8.5 INFORMAL REVIEW /HEARING FOR THE APPLICANT (see Chapter 24- Appeals and Grievances)

- A. If an Applicant’s name has been removed from the waiting list either at their request or because the applicant fails to respond to a written request for information or a request to declare their continued interest in the program as requested by the Commission or the family fails to follow through with requirements of processing their application, the application will be considered “withdrawn” from the waiting list.

No informal hearing is required following the withdraw of an application, however an applicant may request an informal review. (See Chapter 23 Appeals and Grievance on the Informal Review Process)

- B. If an Applicant's name has been removed from the waiting list because the Port Huron Housing Commission determines that an applicant does not meet the criteria for receiving public housing assistance, the applicant is considered denied and will be provided with an opportunity for an informal hearing. This process may be conducted in person, by mail, by telephone, conference call, webcast or video call. (Please see notice PIH 2020-32 or successor notice for guidance on remote briefing requirements.) The Port Huron Housing Commission will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request, in writing, an informal hearing of the decision within 14 calendar days of the denial. The Port Huron Housing Commission will describe how to obtain the informal hearing in its notice.

The informal hearing may be conducted by any person designated by the Port Huron Housing Commission, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Port Huron Housing Commission's decision. The Port Huron Housing Commission must notify the applicant of the final decision within 14 calendar days after the informal hearing, including a brief statement of the reasons for the final decision.

- C. For denials based upon ineligible Citizenship status, the applicant may request that the Port Huron Housing Commission provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

D. CONSIDERATION OF CIRCUMSTANCES

In deciding whether to deny assistance because of action or inaction by members of the family, decisions will be made in accordance with 24 CFR 960.203 and .204. In cases where consideration of circumstances are allowed, the PHHC may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial of assistance on other family members who were not involved in the action or failure. In any case, if the family includes a person with disabilities, the PHHC's decision to deny assistance will consider any reasonable accommodation entitlements in accordance with 24CFR part 8.

The PHHC may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The PHHC may permit the other members of a participant family to receive assistance.

If the PHHC seeks to deny assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol where there was not court action with a documented date of sentencing completion, such use or possession or pattern of abuse must have occurred within one year before the date that the PHHC provides notice to the family of the PHHC determination to deny or terminate assistance. In determining whether deny assistance for these reasons the PHHC will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

For this purpose, the PHHC may require an applicant to submit evidence of one of the above.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The Port Huron Housing commission shall administer a community wide waiting list which will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference and then in order of date and time of application; and
- C. Any contacts between the Port Huron Housing Commission and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Port Huron Housing Commission must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they so desire.

9.4 PURGING THE WAITING LIST

The Port Huron Housing Commission will update and purge its waiting list as needed to ensure that the pool of applicants reasonably represents the interested families for whom the Port Huron Housing Commission has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Port Huron Housing Commission will not remove an applicant's name from the waiting list unless:

- A. The applicant requests, in writing or verbally, that the name be removed;
- B. The Applicant's name has been withdrawn from the waiting list either at their request or because the applicant fails to respond to a written request for information or a request to declare their continued interest in the program as requested by the Commission or the family fails to follow through with requirements of processing their application.

No informal hearing is required following the withdraw of an application, however an applicant may request an informal review. Section 24 describes the process for Informal Review.

- C. The applicant has been rejected/denied because the applicant family does not meet either the eligibility or suitability criteria for the program.

Applicants who are rejected/denied are entitled to an informal hearing. Section 24 describes the process for Informal Hearings.

- D. The applicant is housed.

Applicant files will be retained for a minimum of three years after the application has been placed inactive.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Port Huron Housing Commission shall be considered as being no longer interested and will be sent a notice of termination of the process for determining eligibility and removed from the waiting list.

If the applicant contacts the Port Huron Housing Commission within a reasonable amount of time of missing the appointment (generally 7 calendar days) the Port Huron Housing Commission will allow the family to reschedule. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Port Huron Housing Commission will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list due to a rejection/denial will be notified by the Port Huron Housing Commission, in writing, that they have fourteen (14) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed

from the waiting list if they fail to respond within the time frame specified. The Port Huron Housing Commission system of removing applicant names from the waiting list will not violate the rights of person with disabilities. If an applicant claims that their failure to respond to a request for information or update was caused by a disability, the Port Huron Housing Commission will verify that there is, in fact, a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

If a letter is returned by the Post Office without a forwarding address, the applicant will be removed without further notice and the envelope will be maintained in the file. If a letter is returned with a forwarding address, it will be re-mailed to the address indicated by the Post Office.

If an applicant is removed from the waiting list for failure to respond, they will not be entitled to reinstatement unless a review is requested and the applicant provides information and/or circumstances that supports a decision for the applicant to be reinstated.

The waiting list will be purged in accordance with section 9.4 of this policy, to ensure that the waiting list is current and accurate. The mailing will ask for current information and confirmation of continued interest.

Notices will be made available in accessible format upon the request of a person with a disability.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES (24 CFR 960.206)

In accordance with the PHHC's PHA Plan, the PHHC will select families from the waiting list within each bedroom size category when attainable, based on the following preferences based on local housing needs and priorities:

A. Elderly/Disabled/w/Dependents Preference - 4 POINTS

Applicants who meet one, or all, of the following are eligible for this preference:

1. Elderly Household - head or co-head is over 62 yrs. of age or older
2. Disabled/handicapped Household - head or co-head is handicapped or disabled
3. Dependents - Family has dependents

B. Residency Preference - 2 POINTS

Applicants who live in St. Clair County are eligible for this preference.

Use of this residency preference does not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

This residency preference will also be equally extended to Applicants who are working, or who have been notified that they are hired to work in St. Clair County.

C. Non-Smoking Household Preference – 1 POINT

In an effort to promote HUD's Smoke Free Policy Initiative and Housing Commission Policy, applicants for the Public Housing Program Waiting List, who certify they have a non-smoking household (meaning no members of the household smoke), will be eligible for a non-smoking preference on the Public Housing Program Waiting List.

This preference will be verified/certified at the time of application and again at the time of application processing to determine eligibility for admission to the Public Housing Program.

The PHHC will inform all applicants of the available preferences and will give each applicant an opportunity to show that they qualify for any/all of the preferences available at the time of application and at any time thereafter that such preferences become available.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preference.

Buildings Designated as Elderly Only Housing: Desmond and Peru Villages (Project MI28P039002) have been approved by HUD as being designated for elderly only. In filling vacancies in this development, first priority will be given to elderly families. If there are no elderly families on the list, next priority will be given to near-elderly. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Family Site One Bedroom Units: Preference will be given to near-elderly and non-elderly disabled families. If there are no near-elderly or non-elderly disabled families on the list, preference will be given to elderly families. If there are no elderly families on the list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other

developments who may benefit from the accessible unit. If there are no families residing in other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies or requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30 calendar day notice.

In the case of a federally declared disaster, the PHHC reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those normally admitted.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following Bedroom Assignment Consideration guidelines, set by the PHHC, along with HUD's Occupancy Standards will determine the assignment of each family's unit size without overcrowding or over-housing.

HUD's Occupancy Standards
[Keating Memo and 24 CFR 982.401(d)(2)(ii)]

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	2
1	1	4
2	2	6
3	3	8
4	4	10
5	5	12

These standards are based on the assumption that each sleeping/ bedroom will accommodate no more than two (2) persons and that the living room can be used as a sleeping room, accommodating no more than 2 persons.

BEDROOM ASSIGNMENT CONSIDERATION GUIDELINES

In determining bedroom size, the Port Huron Housing Commission will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being

obtained, children whose custody can be verified to be 51% or more (determined on a case by case basis with consideration of documentation deemed acceptable by the Housing Commission), children who are temporarily away at school, or children who are temporarily away from home due to placement in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom unless separated by an age difference of 10 years or more.
- B. Adults and children will not be required to share a bedroom.
- C. Persons of different generations with an age difference of at least 10 years will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.
- E. Live-in aides generally be allocated a separate bedroom. No additional bedrooms are allocated for the live-in aide's family. (See section 15.7 for more information on "Consideration of Live-in Aides".)

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allows. The Port Huron Housing Commission will allow the smaller size unit so long as HUD's occupancy standards are met, meaning no more than two (2) people per sleeping/ bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for three (3) years or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Port Huron Housing Commission will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.

- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly person or a person with disabilities be provided with a unit that is larger than one-bedroom (24 CFR 960.206(e)).

10.3 SELECTION FROM THE WAITING LIST

Based upon the preferences and point values assigned to each preference, applicants with the most cumulative points will be offered assistance first.

The date and time of application will be noted and utilized to determine the sequence within the preferences prescribed in 10.1.

The Port Huron Housing Commission shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is the higher of either 30% of the area median income or the Federal Poverty Level as defined by HUD. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If admissions of extremely low-income families to the Port Huron Housing Commission's voucher program during a fiscal year exceed the 75% minimum targeting requirement for the voucher program, such excess shall be credited (subject to the limitations in this paragraph) against the Port Huron Housing Commission's basic targeting requirement for the same fiscal year.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. Ten percent (10%) of public housing waiting list admissions during the Port Huron Housing Commission's fiscal year;
- B. Ten percent (10%) of waiting list admissions to the Port Huron Housing Commission's Section 8 tenant-based assistance program during the PHA fiscal year; or
- C. The number of qualifying low income families who commence occupancy during the fiscal year of the Port Huron Housing Commission public housing units located in census tracts with a poverty rate of 30% or more. For this purpose, qualifying low income family means a low-income family other than an extremely low-income family.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

The Port Huron Housing Commission is not subject to the de-concentration requirements according to 24 CFR 903. Nevertheless, the Port Huron Commission will affirmatively market its housing to all eligible income groups.

10.5 OFFER OF A UNIT

When the Port Huron Housing Commission discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the de-concentration goal and/or the income targeting goal.

When an “accessible” unit becomes available, before offering such unit to a non-disabled applicant, the Port Huron Housing Commission shall (24 CFR part 8):

- A. First, offer the unit to a current occupant who requires the accessibility features of the vacant unit in the same development that requires the accessibility features of the vacant accessible unit (if the current occupant does not have such accessibility features in their current unit). The Port Huron Housing Commission may pay the moving expenses related to transferring this tenant to an accessible unit as an accommodation due to the tenant’s disability.
- B. Second, if there is not a current resident in the same development who requires the accessibility features of the vacant, accessible unit, the PHHC will offer the unit to a current resident with disabilities residing in another development that requires the accessibility features of the vacant, accessible unit and occupying a unit not having those accessibility features.
- C. Third, if there is not a current resident who requires the accessibility features of the vacant, accessible unit, then the PHHC will offer the unit to an eligible, qualified applicant with disabilities on the PHHC’s waiting list who can benefit from the accessible features of the available, accessible unit.
- D. Forth, if there is not an eligible qualified resident or applicant with disabilities on the waiting list who wishes to reside in the available,

accessible unit, then the PHHC will offer the available accessible unit to an applicant on the waiting list who does not need the accessible features of the unit.

Note: The Port Huron Housing Commission will not prohibit an eligible disabled family from accepting a non-accessible unit that the family is eligible for which may become available before an accessible unit. The Port Huron Housing Commission will modify such a non-accessible unit as needed, unless the modification would result in an undue financial and administrative burden. When offering an accessible unit to applicants without disabilities, the Port Huron Housing Commission will require such applicants to agree (by signing an agreement unless it has been incorporated into their lease) to move to a non-accessible unit when available or when the accessible unit is needed by a disabled family.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Port Huron Housing Commission will document the offer and the rejection.

10.6 REJECTION OF UNIT

If in making the offer to the family the Port Huron Housing Commission skipped over other families on the waiting list in order to meet their de-concentration goal or offered the family any other de-concentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Port Huron Housing Commission did not skip over other families on the waiting list to reach this family, did not offer any other de-concentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, but is not limited to, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.7 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than fourteen (14) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later, without the approval of the Executive Director.

At the lease signing, the family will have, at a minimum, one (1) adult family member who will attend the Lease and Occupancy Orientation (lease review). The family will not be housed if at least one (1) adult family member has not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation without good cause, may result in the cancellation of the occupancy process. The orientation shall include the resident's rights and responsibilities under the Violence Against Women Act (VAWA).

If the family needed an accessible unit however chose a non-accessible unit, they will be required to sign a Certification of Resident's Selection of a Non-Accessible Unit form. This form shall only be required if they were offered and rejected an accessible unit.

The applicant will be provided a copy of the lease and any attachments, which will include but is not limited to, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Commission personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Port Huron Housing Commission will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to but not greater than one month gross rent (TTP) and shall not exceed the following limits:

Zero Bedroom	\$100.00
One Bedroom	\$300.00
Two Bedroom	\$300.00
Three Bedroom	\$400.00
Four Bedroom	\$400.00
Five Bedroom	\$400.00

In exceptional situations, the Port Huron Housing Commission reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Executive Director.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

Any applicant who is homeless at the time of admission will be reported to HUD on the 50058.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the Port Huron Housing Commission counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Port Huron Housing Commission subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME (24 CFR 5.609)

Annual income means all amounts, monetary or not that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; and
- B. Is actual income being received (projected forward for a 12 month period); anticipated to be received from a source outside the family during the 12-months period following admission, re-examination, or annual reexamination effective date; and
- C. Amounts derived (projected forward for a 12 month period) from assets to which any member of the family has access; and
- D. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Port Huron Housing Commission believes that past income is the best available indicator of expected future income, the Port Huron Housing Commission may annualize the income by averaging the amount received or earned based on the last 12 months before the determination date. In situations where a family reports little to no income, or when the family's income fluctuates, the PHHC may require the family to have quarterly re-examinations until the families income stabilizes. In these situations, income may be anticipated based on a shorter period, but subject to a redetermination at the end of the shorter period term.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commission, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family.

Where the family has net family assets in excess of \$5,000.00, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate. In accordance with notice PIH 2012-29, A PHA may establish its own passbook rate within 75 basis points (plus or minus 0.75%, but never less than 0%) of the Savings National Rate (SNR) at the time the rate is being established or reviewed. The SNR is calculated and published by the FDIC. (www.fdic.gov/regulations/resources/rates/). The PHHC will use a passbook rate set at 0.75% above of the SNR upon establishment or review (SNR plus 0.75%). The PHHC will review the established passbook rate at least on an annual basis.

Where the family has disposed of an asset for less than Fair Market Value during the two (2) years preceding any certification or re-certification in excess of \$5,000.00, annual income from such asset will be based on a percentage of the value based on the current passbook savings rate, as determined above.

- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or

death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded).
- F. Welfare assistance payments.
 - 1. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - a. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - b. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
 - 2. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 - 3. Imputed welfare income
 - a. A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the Port

Huron Housing Commission by the welfare agency) plus the total amount of other annual income.

- b. At the request of the Port Huron Housing Commission, the welfare agency will inform the Housing Commission in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Housing Commission of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Housing Commission will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Housing Commission by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The Port Huron Housing Commission will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Housing Commission has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Housing Commission denies the family's request to modify such amount, then the Housing Commission shall give the resident written notice of such denial, with a brief explanation of the basis for the Housing Commission's determination of the amount of imputed welfare income. The Housing Commission's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

4. Relations with welfare agencies

- a. The Port Huron Housing Commission will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Housing Commission written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
 - b. The Port Huron Housing Commission is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the Housing Commission. However, the Housing Commission is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
 - c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Housing Commission shall rely on the welfare agency notice to the Housing Commission of the welfare agency's determination of a specified welfare benefits reduction.
- G. Period and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces is included. (Special pay to a member exposed to hostile fire is excluded.)

11.2 EXCLUSIONS FROM INCOME

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone); or payments made under KIN-Gap or similar guardianship care programs or Kinship care services for children related to the tenant family, as an alternative to foster care placement, and that compensation to participating relatives is comparable to parenting under foster care.
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide (as defined in 24CFR 5.403);
- F. The full amount of student financial assistance paid directly to the student or to the educational institution, unless it is an athletic scholarship that includes assistance available for housing and that portion is included in income;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following:
 - 1. Amounts received under training programs funded by HUD;

 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Commission or owner, on a part-time basis, that

enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;

5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts) This specifically includes temporary income payments from the U. S. Census Bureau, defined as employment lasting no longer than 180 calendar days per year and not culminating in permanent employment ;
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

9. Adoption assistance payments in excess of \$480 per adopted child;
10. Earned Income Disallowance (EID) (also known as Earned Income Disregard): The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families.
 - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.

- c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.(Not limited to monthly income maintenance, but also includes benefits and services as one time payments, wage subsidies, and transportation assistance, provided that the total over a 6 (six) month period is at least \$500.00). (Note: Sanctioned Benefits do not count as having been assisted.)

During the second cumulative 12-month period, after the date of initial hire, 50% of the increased income shall be excluded from income.

For families who are eligible for this EID benefit prior to 7/1/17, the disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

For families who are eligible for this EID benefit on or after 7/1/17, the disallowance of increased income of an individual family member is limited to a lifetime 24-month period, regardless of how many months were “used”. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing commission to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing commission to provide the exclusion in all cases.)

11. Deferred periodic amounts from supplemental security income and social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
12. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

The Port Huron Housing Commission will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the Port Huron Housing Commission concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

12.0 VERIFICATION

The Port Huron Housing Commission will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible NON-CI TIZEN status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

For a family with net assets equal to or less than \$5,000, the PHHC will accept, for purposes of recertification of income, a family's written declaration that it has net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration. The declaration must state the amount of income the family expects to receive from such assets; this amount will be included in the family's income. The PHHC will obtain third-party verification of all family assets at least every 3 years.

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's 214 Status Certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Excluded Income: In Notice PIH-2013-04, HUD provides guidance and clarification on the requirements to verify income that is excluded from the determination of annual income. There are two categories of excluded income: fully excluded and partially excluded. Each category has different verification requirements. Because each has a different verification requirements, it is important to be sure to determine

correctly if the income is fully or only partially excluded income. The requirements are as follows:

Fully Excluded income: Income that is fully excluded means the entire amount qualifies to be excluded from the annual income determination.

For fully excluded income, the PHHC **is not require to:**

- * Verify the income in accordance with the HUD-prescribed verification hierarchy (as outlined below).
- * Document in the tenant file why third party verification was not available as required by 24CFR960.259(c.)(I).
- * Report the income in Section 7 of the HUD-50058.

(For a complete list of income exclusions, see 24 CFR 5.609(c.))

The PHHC may accept an applicant or participant’s self-certification as verification of fully excluded income. The PHHC application and re-examination documentation, which is signed by all adult family members, may serve as the self-certification of the fully excluded income. The PHHC has the option of elevation the verification requirements, if necessary, to determine if a source of income qualifies for a full exclusion. Examples of common fully excluded income categories that are verifiable through applicant or participant self-certification include but are not limited to:

- * Supplemental Nutrition Assistance Program (SNAP) benefits (Formerly known as Food Stamps)
- * Income from a live in aide

Partially Excluded income: Income that is partially excluded means that only a certain portion of the income reported by the family qualifies to be excluded, while the remainder must be included when determining the family’s annual income.

For partially excluded income the PHHC **is required to:**

- * Comply with HUD prescribed verification requirements and all applicable regulations pertaining to the determination of annual income; and
- * Report the income in Section 7 of the HUD-50058.

Examples of common, partially excluded income categories that are subject to regular verification requirements include but are not limited to:

- * The Department of Veterans Affairs “Aid and Attendance” benefits - in accordance with 24 CFR 509(c.)(4), these benefits may be excluded from income if they are used “specifically for, or in reimbursement of, the cost of medical expenses for the family member.” Live-in or periodic medical assistance and services of doctors and health care

professionals are among the services that may be counted as medical expenses. The PHHC must verify the amount provided for aid and may be counted as medical expenses. The PHHC must verify the amount provided for aid and attendance medical expenses and the amount actually being used by the veteran for such expenses. Any portion of the benefit not used for such expenses would continue to be counted as income by the PHHC when determining the family’s annual income.

- * Earnings in excess of \$480 for full time students, 18 years of age or older (24 CFR 5.609 (c.)(11) - in order to determine the amount of earnings to include in the calculation of the family’s annual income the PHHC must verify the amount of employment income for these family members.

(For a complete list of income exclusions, see 24 CFR 5.609(c.))

All other information will be verified by the following verification hierarchy and technique methods acceptable to HUD.

12.1 VERIFICATION HIERARCHY AND TECHNIQUES

In accordance HUD regulation, the PHHC will obtain and document in the tenant file third party verification of the following factors, or will document in the tenant file why third party verification was not available:

- (i) reported family annual income;
- (ii) the value of assets;
- (iii) expenses related to deductions from annual income; and
- (iv) other factors that affect the determination of adjusted income.

The PHHCs verification process will begin with the highest level of verification techniques as indicated in the “Verification Hierarchy and Technique Chart” below.

All verifications, regardless of technique, require the PHHC to review the IVT information at the time of reexamination and for multiple subsidy payments. The PHHC is required to review the EIV Former Tenant and Existing Tenant Reports for any SSA matches involving another PHA or a Multi-family entity and follow-up on any issues identified. The PHHC is required to maintain the report and documentation of any follow-up in the tenant file. If the tenant is a new admission to the PHHC, and a match is identified at a Multi-family property, the PHHC must report the program admission date to the Multi-family property and document the notification in the tenant file.

Exhibit 1 – Verification Hierarchy and Technique Chart

Level	Verification Technique	Ranking
-------	------------------------	---------

6	Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system <u>and the Income Validation Tool (IVT) (not available for income verifications of applicants)</u>	Highest (Mandatory)
5	Up-front Income Verification (UIV) using non-HUD system	Highest (Optional)
4	Written Third-Party Verification	High (Mandatory to supplement EIV-reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when tenant disputes EIV-reported employment and income information and is unable to provide acceptable documentation to support dispute)
3	Written Third-Party Verification Form	Medium-Low (Mandatory if written third-party verification documents are not available or rejected by the PHA; and when the applicant or tenant is unable to provide acceptable documentation)
2	Oral Third-Party Verification	Low (Mandatory if written third-party verification is not available)
1	Tenant Declaration	Low (Use as a last resort when unable to obtain any type of third-party verification)

Note: This verification hierarchy applies to income determinations for applicants and participants. However, EIV is not available for verifying income of applicants. Exhibit 1. "Verification Hierarchy and Techniques", illustrates six levels of verification starting with 6 as the highest category of Upfront Income Verification using HUD's EIV system, then 5-Upfront Income Verification (UIV) using non-HUD system, 4-Written Third-Party Verification, 3-Written Third Party Verification Form, 2-Oral Third-Party Verification and 1-Tenant Declaration.

A. Up-front Income Verifications (UIV)-(Level 6/5)

UIV is the verification of income through an independent source that systematically and uniformly maintains income information in computerized form for a number of individuals.

Current UIV resources include the following:

1. Enterprise Income Verification (EIV) – The EIV System is a web-based application, which provides PHAs with employment,

wage, unemployment compensation and social security benefit information of tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of the Office of Public and Indian Housing (PIH). Information in EIV is derived from computer matching programs initiated by HUD with the Social Security Administration (SSA) and the U.S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information (name, date of birth (DOB), and social security number (SSN)) reported on the form HUD-50058. Use of the EIV system, in its entirety is mandatory. To minimize tenant underreporting of income, the PHHC will obtain an EIV Income and IVT Report for each family any time the PHHC conducts a reexamination of family income and composition.

The PHHC will obtain an EIV Income Report and an IVT Report for each household for each interim and mandatory reexaminations of family income and composition. If the EIV Income Report does not contain adequate employment and income information for the family, the PHHC will attempt the next lower level verification technique, as necessary, as noted in the Verification Hierarchy and Technique Chart.

To reduce the potential for subsidy errors, the PHHC will monitor the following EIV reports on a monthly basis :

- a. Deceased Tenants Report
- b. Identity Verification Report
- c. Immigration Report.
- d. IVT Report based on PHA reexamination schedule (Report will include information from the New Hires Report (NDNH))
- e. Multiple Subsidy Report

See Section 12.8-EIV, for full use requirements of EIV.

2. State Wage Information Collection Agencies (SWICAs)
3. State systems for the Temporary Assistance for Needy Families (TANF) program
4. Credit Bureau Information (CBA) credit reports
5. Internal Revenue Service (IRS) Letter 1722
6. Private sector databases (e.g. The Work Number)

The PHHC will use additional UIV resources as they become available.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur. (See also Section 12.8 – EIV)

No adverse action can be taken against a participant until the PHHC has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the PHHC requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

B. Written Third-Party Verification-(Level 4)

The PHHC must request written third-party verification under the following circumstances:

- a. When the tenant disputes the EIV information and is unable to provide acceptable documentation to support his/her dispute (24 CFR 5.236(b))
- b. When the PHHC requires additional information that is not available in EIV and/or the tenant is unable to provide the PHHC with current acceptable tenant-provided documentation. Examples of additional information include, but are not limited to:
 - i. Effective dates of income (i.e. employment, Unemployment compensation, or social security benefits)
 - ii. For new employment: pay rate, number of hours worked per week, pay frequency, etc.
 - iii. Confirmation of changes in circumstances (i.e. reduced hours, reduced rate of pay, temporary leave of absence, etc.)

An original or authentic document generated by a third-party source dated either within the 60 calendar day period preceding the PHHC request date. Such documentation may be in the possession of the tenant (or applicant), and is commonly referred to as tenant-provided documents. It is the HUD's position that such tenant-provided documents are written third-party verification since these documents originated from a third-party source. The PHHC may, at its discretion, reject any tenant-provided documents and follow up directly with the source to obtain necessary verification of information.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include, but are not limited to: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices. Current acceptable tenant-provided documents will be used for income and rent determinations.

The PHHC will obtain a minimum of two (2) current and consecutive pay stubs for determining annual income from wages. For new income sources or when two (2) current and consecutive pay stubs are not available, the PHHC will project income based on the information from a traditional written third-party verification form or the best available information.

Note: Documents older than 60 calendar days (from the PHHC interview/determination or request date) is acceptable for confirming effective dates of income.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month (\$2400.00 annually) or more and the participant disputes the UIV results.

Note: Social Security benefit information in EIV is updated every three months. If the tenant agrees with the EIV-reported benefit information, The PHHC does not need to obtain or request a benefit verification letter from the tenant.

The PHHC will allow a minimum of seven (7) calendar days for the return of written third-party verifications prior to continuing on to the next type of verification.

C. Written Third-Party Verification Form-(Level 3)

Also known as traditional third-party verification, a standardized form to collect information from a third-party source, is distributed by the PHHC. The form is completed by the third-party by hand (in writing or typeset). This form is sent directly to the third party source by the PHHC.

It is HUD's position that the administrative burden and risk associated with use of the traditional third-party verification form may be reduced by the PHHC relying on acceptable documents that are generated by a third party, but in the possession of, and provided by, the tenant (or applicant). Many documents in the possession of the tenant (or applicant) are derived from third party sources (i.e. employers, federal, state and/or local agencies, banks, etc.).

HUD recognizes that third-party verification request forms sent to third party sources often are not returned. In other instances, the person who completes the verification form may provide incomplete information; or some tenants may collude with the third-party source to provide false information; or the tenant intercepts the form and provides false information.

HUD requires the PHHC to rely on documents that originate from a third-party source's computerized system and/or database, as this process reduces the likelihood of incorrect or falsified information being provided on the third-party verification request form. The use of acceptable tenant-provided documents, which originate from a third-party source, will improve the integrity of information used to determine a family's income and rent and ultimately reduce improper subsidy payments. This verification process also streamlines the income verification process.

The PHHC will allow 7 calendar days for the return of written third-party written verification forms prior to continuing on to the next type of verification.

D. Third-Party Oral Verification – (Level 2)

This type of verification includes direct contact with the source, in person or by telephone as identified through the UIV source or identified by the family.. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation, the telephone number, and the facts obtained.

The PHHC will allow 7 calendar days for the return of third-party oral verifications prior to continuing on to the next type of verification.

E. Review of Documents

When UIV, written and oral third-party verifications are not available within the time period as stated above, the PHHC will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

F. Non-Third Party Verification/Self-Certification and Self-Declaration - (Level 1) The tenant submits an affidavit or notarized statement of reported income and/or expenses to the PHHC. This verification method should be used as a last resort when the PHHC has not been successful in obtaining information via all other verification techniques. When the PHHC relies on tenant declaration,

the PHHC must document in the tenant file why third-party verification was not available.

Exceptions to Third Party Verification Requirements

Third party verification may not be available for a variety of reasons such as numerous attempts to obtain the required verifications with no success or it may not be cost effective to obtain third party verification of income, assets, or expenses, when the impact on total tenant payment is minimal. In these cases, the PHHC is required to document in the family file the reason(s) why third-party verification was not available.

When any verification method other than Up-front Income Verification is utilized, the PHHC will document the reason for the choice of the verification methodology in the applicant/resident's file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Port Huron Housing Commission will send a request form to the source along with a release form signed by the applicant/tenant via first class mail or fax.

12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NON-CITIZEN STATUS

The citizenship/eligible NON-CITIZEN status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a Social Security card, birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Port Huron Housing Commission will make a copy of the individual's INS documentation and place the copy in the file. The Port Huron Housing Commission will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Port Huron Housing Commission will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Port Huron Housing Commission determines that a family member has knowingly permitted an ineligible NON-CITIZEN (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

To verify the disclosed/documented SSN of family members, the PHHC must request the applicant and participant (all members of the household, including live-in aides, foster children, and foster adults), who are not exempt under Section 8.2, D, to provide documentation of each disclosed SSN. Acceptable evidence of the SSN consists of:

- a. An original SSN card issued by SSA;
- b. An original SSA-issued document, which contains the name and SSN of the individual; or
- c. An original document issued by a Federal, State, or local government agency, which contains the name and SSN of the individual.

It should be noted that most (if not all) individuals who are lawfully present in the U.S. have been assigned an SSN. Many existing laws require the disclosure of the SSN for various purposes. All applicants and participants, including each member of the household (with the exception of those individuals noted in Section 8.2, D) are required to disclose his/her SSA-assigned SSN. The SSA issues three types of social security cards depending on an individual's citizen or noncitizen status and whether or not a noncitizen is authorized by the Department of Homeland Security (DHS) to work in the United States. They include:

- a. The first type of card shows the individual's name and SSN only. This is the card most people have and reflects the fact that the holder can work in the U.S. without restriction. SSA issues this card to:
 - i. U.S. citizens; or
 - ii. Noncitizens lawfully admitted to the United States for permanent residence and noncitizens with DHS permission to work permanently in the United States (i.e., refugees and asylees).
- b. The second type of card bears, in addition to the individual's name and SSN, the legend: "**NOT VALID FOR EMPLOYMENT.**" SSA issues this card to lawful noncitizens who do not have DHS permission to work and are required by law to provide an SSN to obtain general assistance benefits that they already have qualified for.
- c. The third type of card bears, in addition to the individual's name and SSN, the legend "**VALID FOR WORK ONLY WITH DHS AUTHORIZATION.**" SSA issues this card to people with DHS permission to work temporarily in the United States. SSA verifies all noncitizens' documents with DHS before an SSN card is issued to a noncitizen.

Rejection of Documentation. The PHHC may reject documentation of the SSN provided by the applicant or participant for only the following reasons:

- a. The document is not an original document; or
- b. The original document has been altered, mutilated, or is not legible; or
- c. The document appears to be a forged document (i.e., does not appear to be authentic).

Verification of Documented SSN. Once Documentation is received, the PHHC shall verify each disclosed SSN by:

- a. Obtaining and Making a copy of the original documentation submitted, returning it to the individual, and retaining the copy in the file folder; and
- b. Recording the SSN on line 3n of the form HUD-50058 and transmitting the form HUD-50058 to HUD within a timely manner. The PHHC is required to transmit the form HUD-50058 no later than 30 calendar days of receiving the SSN documentation, to enable HUD to initiate its computer matching efforts for current program participants.

Note: HUD does not initiate computer matching efforts for applicants. HUD, via its computer matching program with the SSA, will validate the SSN (along with the individual's name and date of birth) against the SSA's database. EIV will report the status of the identity verification process as **Verified, Failed, Pending, Excluded, or Deceased** on the household

Summary Report.

(See Notice PIH 2018-24 for additional Guidance)

See also Section 8.2 – Social Security Number Documentation

12.5 TIMING OF VERIFICATION

For the purposes of an initial eligibility determination for admission, a certification due to a transfer or move; or an annual re-certification/re-examination of income, verification of information must be dated within sixty (60) calendar days prior to the date of the PHHCs request. If the verification is older than sixty calendar (60) days, it will not be acceptable. However, after the verification has been initially accepted and is in the possession of the PHHC and becomes older than 90 calendar days (but less than 120 calendar days old), the source will be contacted and asked to provide information regarding any changes. If the verification is older than 120 calendar days, the information must be re-verified.

When an interim reexamination is conducted, the PHHC will verify and update only those elements reported to have changed.

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible NON-CITIZEN status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible NON-CITIZEN status will be verified.

For each family member, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination.

12.7 SPECIAL VERIFICATION FOR ADULT STUDENTS

In addition to other verification procedures, student head of households must provide a written signed certification that the student does or does not receive any financial support from his or her parents or guardians and whether or not the student is receiving an athletic scholarship. If support is

received, the certification must state the amount of anticipated support. The PHHC shall verify by using normal 3rd party verification procedures that amount by communicating directly with the supporting person(s). If an athletic scholarship is involved, the PHHC shall determine if any of the scholarship is available for housing costs.

12.8 EIV

The EIV System is a web-based application, which provides employment, wage, unemployment compensation and social security benefit information for tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of the Office of Public and Indian Housing (PIH). Information in EIV is derived from computer matching programs initiated by HUD with the Social Security Administration (SSA) and the U.S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information (name, date of birth (DOB), and social security number (SSN)) reported on the form HUD-50058.

EIV is classified as an UIV technique (or automated written third-party verification), which helps to identify income sources and/or amounts that the tenant may not have disclosed.

PHAs are required to use the EIV system in its entirety. This means that the PHHC must use all features of the EIV system to:

- a. Verify tenant employment and income information during interim and mandatory reexaminations of family composition and income in accordance with 24 CFR 5.236, and other HUD administrative guidance; and
- b. Reduce administrative and subsidy payment errors in accordance with HUD administrative guidance.

The PHHC is required to review the EIV Income and IVT reports during mandatory and interim reexaminations of family income and/or composition to reduce tenant under reporting of income and improper subsidy payments. The PHHC will retain the EIV reports (the EIV Income and IVT reports) in accordance with the PHHCs Records Retention Policy.

The IVT Report is a new report that replaces the current Income Discrepancy Report under the verification reports link in EIV This report facilitates and enhances the PHHCs identification of tenant unreported or underreported income during interim and regular reexaminations. The IVT is updated monthly and provides a comparison between tenant reported income and income information previously reported on the HUD-50058. It includes any discrepant income information specifically derived and reported from HUD's data sharing agreements with HHS-NDNH and the Social Security Administration (SSA). The IVT also provides income and wage, unemployment compensation and SSA benefit information.

The PHHC can comply with and reduce administrative burden of third-party verification requirements for employment, wage, unemployment compensation and Social Security benefits, and any other information that is verifiable using EIV by:

- a. Reviewing the EIV Income and IVT Reports to confirm/validate tenant-reported income
- b. Printing and maintaining the EIV Income and IVT Reports in the tenant file;
- c. Obtaining current acceptable tenant-provided documentation to supplement the EIV information; and
- d. Using current tenant-provided documentation and/or third-party verification to calculate annual income.

Note: Social Security benefit information in EIV is updated every three months. If the tenant agrees with the EIV-reported benefit information, PHAs do not need to obtain or request a benefit verification letter from the tenant. See PIH Notice 2010-03 for guidance on verifying Social Security benefit income through the EIV system.

A. EIV DISPUTE AND DISCREPANCIES

If the EIV or IVT report reveals an income source that was not reported by the tenant or a substantial difference (defined as \$2400 or more annually) in the reported income information, the PHHC will:

- a. Discuss the income discrepancy with the tenant; and
- b. Request the tenant to provide any documentation to confirm or dispute the unreported or underreported income and/ or income sources; and
- c. In the event the tenant is unable to provide acceptable documentation to resolve the income discrepancy, the PHHC will request from the third-party source, any information necessary to resolve the income discrepancy; and
- d. If applicable, determine the tenant's underpayment of rent as a result of unreported or underreported income, retroactively*; and
- e. Take any other appropriate action as directed by HUD or in accordance with PHHC policy.

*The PHHC will determine the retroactive rent as far back as the existence of complete file documentation (form HUD-50058 and supporting documentation) to support such retroactive rent determinations.

Note: HUD regulations prohibits the PHHC from taking adverse action based solely on EIV information.

The tenant will be provided an opportunity to contest the PHHC's determination of tenant rent underpayment. Tenants will be promptly notified in writing of any adverse findings made on the basis of the information verified through the aforementioned income discrepancy resolution process. The tenant may contest the findings in accordance with established grievance procedures. The PHHC will not terminate, deny, suspend, or reduce the family's assistance until the expiration of any notice or grievance period.

When there is an unsubstantial or no disparity between tenant-reported and EIV-reported income information, the PHHC will obtain from the tenant, any necessary documentation to complete the income determination process. As noted previously, the PHHC may reject any tenant-provided documentation, if the PHHC deems the documentation unacceptable. Documentation provided by the tenant will only be rejected for only the following reasons:

- a. The document is not an original; or
- b. The original document has been altered, mutilated, or is not legible; or
- c. The document appears to be a forged document (i.e. does not appear to be authentic).

The PHHC will explain to the tenant, the reason(s) the submitted documents are not acceptable and request the tenant to provide additional documentation. If at any time, the tenant is unable to provide acceptable documentation that the PHHC deems necessary to complete the income determination process, the PHHC will submit a traditional third-party verification form to the third-party source for completion and submission to the PHHC.

If the third-party source does not respond to the PHHC's request for information, the PHHC is required to document the tenant file of its attempt to obtain third-party verification and that no response to the third-party verification request was received.

The PHHC will then pursue lower level verifications in accordance with the verification hierarchy.

Sometimes the source or originator of EIV information may make an error when submitting or reporting information about tenants. HUD cannot correct data in the EIV system. Only the originator of the data can correct the information. When the originator corrects the data, HUD will obtain the updated information with its next computer matching process. If a tenant disputes information contained in the EIV system tenants and the PHHC should follow the procedures as

outlined in Notice PIH 2018-18 (#19) regarding incorrect EIV information.

Note: Former tenants may dispute debt and termination information for a period of up to three years from the end of participation date in the PIH program.

B. DISCLOSURE OF AN INDIVIDUAL'S EIV INFORMATION

The Federal Privacy Act (5 USC §552a(b), as amended) prohibits the disclosure of an individual's information to another person without the written consent of such individual. As such, the EIV data of an adult household member **may not** be shared (or a copy provided or displayed) with another adult household member, unless the individual has provided written consent to disclose such information.

However, the PHA is not prohibited from discussing with the head of household (HOH) and showing the HOH how the household's income and rent were determined based on the total family income reported and verified.

EIV information and any other information obtained by the PHHC for the purpose of determining eligibility and level of assistance for a PIH rental assistance program may not be disclosed to third parties for any reason (even for similar verifications under other programs, such as eligibility for low income housing tax credit units, other federal or state assistance programs), unless the tenant has authorized such disclosure in writing.

C. FILE DOCUMENTATION REQUIRED FOR EIV COMPLIANCE

The following file documentation is required to demonstrate PHHC compliance with mandated use of EIV as a third-party source to verify tenant employment and income information (24 CFR 5.233(a)(2)(i)).

1. For each new admission (form HUD-50058 action type 1), the PHHC is required to:
 - a. Review the EIV Income and IVT Reports to confirm/validate family-reported income within 120 calendar days of the Inventory Management System Public and Indian Housing Information Center (IMS/PIC) submission date; and
 - b. Print and maintain copies of the EIV Income and IVT Reports in the tenant file; and
 - c. Resolve any income discrepancy with the family within 60 calendar days of the EIV Income or IVT Report dates.
2. For each historical adjustment (form HUD-50058 action type

14), the PHHC is required to do the following:

- a. Review the EIV Income and IVT Reports to confirm/validate family-reported income within 120 calendar days of the IMS/PIC submission date; and
 - b. Print and maintain copies of the EIV Income and IVT Reports in the tenant file; and
 - c. Resolve any income discrepancy with the family within 60 calendar days of the EIV Income or IVT Report dates.
3. For each interim reexamination (form HUD-50058 action type 3) of family income and composition, the PHHC is required to have the following documentation in the tenant file:
- a. When there is no household identified income, discrepancy reported on the HUD-50058, the EIV Income Report or IVT Report, PHAs have the discretion to print the EIV Income and IVT Reports to document the tenant file.
 - b. In cases when there is an identified income discrepancy among the HUD-50058, the EIV Income Report or IVT Report, PHAs must follow up with the family and resolve the differences between the reported information as noted in Section 8.
4. For each reexamination of family income and composition, the PHHC is required to have the following documents in the tenant file:

No Dispute of EIV Information: There are no disputes among the EIV Income and IVT Reports. The tenant file includes current acceptable tenant provided documentation and if necessary (as determined by the PHHC), traditional third-party verification and a current copy of the form HUD-50058 or to be maintained in the tenant file.

Disputed EIV Information: There is a discrepancy in at least one of the EIV Income or IVT Reports or the form HUD-50058 is not current or is inconsistent and/or traditional third-party verification form(s) for the disputed information is not clear. Copies of the EIV Income and IVT reports, income verification and a corrected for HUD-50058 will be maintained in the tenant file.

In cases when the Tenant-reported income is not verifiable through the EIV system: Current tenant provided documents and if necessary, (as determined by the PHHC), traditional third-party verification form (s) and copies of the EIV Income and IVT reports and a corrected form HUD-50058 will be

maintained in the tenant file.

D. SECURITY OF EIV DATA

The data in EIV contains personal information on individual tenants which is protected under the Federal Privacy Act. The information in EIV may only be used for limited official purposes.

Official Purposes Include:

1. PHAs, in connection with the administration of PIH programs, for verifying employment and income at the time of interim and annual reexaminations.
2. HUD staff for monitoring and oversight of PHA compliance with HUD program requirements.
3. Independent Auditors hired by the PHHC or HUD to perform a financial audit for use in determining the PHHC's compliance with HUD program requirements, including verifying income and determining the accuracy of the rent and subsidy calculations.

Restrictions on disclosure requirements for Independent Auditors:

- May only access EIV income information within family files and only within the offices of the PHHC or PHHC-hired management agent;
- May not transmit or transport EIV income information in any form;
- May not enter EIV income information on any portable media;
- Must sign non-disclosure oaths that the EIV income information will be used only for the audit; and
- May not duplicate EIV income information or re-disclose EIV income information to any user not authorized by 5 U.S.C. 552a(b) of the Privacy Act to have access to the EIV income data.

Official Purposes DO NOT Include:

1. Sharing the information with governmental or private entities not involved in their examination process specifically used for PIH rental assistance programs.
2. Disclosing the EIV information to other private or public entities for purposes other than determining eligibility and level of assistance for PIH rental assistance programs is prohibited since these entities are not a party to the computer matching

agreements with the HHS and SSA. The fact that these entities may find EIV beneficial for similar eligibility and determination purposes for other low-income housing programs or public benefits, does not permit these entities to use or view Information in the EIV system that is covered by the computer matching agreements.

The computer matching agreements are governed by the Privacy Act and the Social Security Act. Specifically, 5 U.S.C. 552a(b) limits disclosure of the data matched between HUD and HHS' National Directory of New Hires (NDNH) database to PHAs, Independent Auditors, the Inspector General (IG) and attorney General, private owners, management agents, and contract administrators of Multifamily Housing programs.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income formula method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income formula based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income formula method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Port Huron Housing Commission will provide them with the following information whenever they have to make rent decisions:
 - 1. The Port Huron Housing Commission's policies on switching types of rent in case of a financial hardship; and

2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Port Huron Housing Commission will provide the amount of income-based rent for the subsequent year only the year the Housing Commission conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME FORMULA METHOD

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income;
- C. If the family is receiving payments for welfare assistance from a public agency and part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$50.00.
- E. Ceiling Rent

13.3 MINIMUM RENT (24 CFR 5.630)

The Port Huron Housing Commission has set the minimum rent at \$50.00. However, if the family requests a hardship exemption, the Port Huron Housing Commission will suspend the minimum rent beginning the month following the family's request until the Housing Commission can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a NON-CITIZEN lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 2. When the family would be evicted because it is unable to pay the

minimum rent;

3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 4. When a death has occurred in the family.
- B. No hardship. If the Housing Commission determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension. The PHHC will offer a repayment agreement in accordance with the Section 20 of this policy for any rent not paid during the period of suspension.
 - C. Temporary hardship. If the Housing Commission reasonably determines that there is a qualifying hardship, and can be verified, but that it is of a temporary nature, defined as 90 calendar days or less, the minimum rent will not be imposed for a period of 90 calendar days from the date of the family's request. At the end of the 90 calendar day period, the minimum rent will be imposed retroactively to the time of suspension. The PHHC will offer a repayment agreement in accordance with the Section 20 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Commission will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
 - D. Long-term hardship. If the Housing Commission determines there is a long-term hardship, defined as longer than 90 calendar days, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
 - E. Appeals. The family may use the grievance procedure to appeal the Housing Commission's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Port Huron Housing Commission has set a flat rent for each public housing unit. The flat rent is determined annually based on the market rental value of the unit using one of the following three options:

- A. Option One: The PHHC will establish a flat rent for each public housing unit that is no less than 80 percent of the applicable Fair Market Rent (FMR).
- B. Option Two: No less than 80 percent of an applicable Small Area

Fair Market Rent (SAFMR) or 80% of the unadjusted rent;¹, if applicable, as determined by HUD, or any successor determination, that more accurately reflects local market conditions and is based on an applicable market area that is geographically smaller than the applicable market area used in the first paragraph of this section. If HUD has not determined an applicable SAFMR or unadjusted rent, the PHHC will rely on the applicable FMR under the first option or may apply for an exception flat rent under the third option. No other smaller geographical FMRs will be allowed by HUD.

- C. Option Three: The PHHC may request, and HUD may approve, on a case-by-case basis, a flat rent that is lower than the amounts in Options One or Two of this section, subject to the following requirements:
1. The PHHC must submit an acceptable market analysis of the applicable market.
 2. The PHHC must demonstrate, based on the market analysis, that the proposed flat rent is a reasonable rent in comparison to rent for other comparable unassisted units, based on the location, quality, size, unit type, and age of the public housing unit and any amenities, housing services, maintenance, and utilities to be provided by the PHHC in accordance with the lease.
 3. All requests for “exception flat rents” under this option must be submitted to and approved by HUD. Upon request, exception rent can be extended up to two additional years by HUD.

The PHHC will not implement option three prior to receiving HUD’s written approval.

The option chosen to establish the required flat rent will be the sole decision of the PHHC.

There is no utility allowance for families paying a flat rent because the PHHC has already factored who pays for the utilities into the flat rent calculation. If the resident pays their own utilities, the calculated flat rent shall be reduced by a reasonable utility allowance based on an energy-conservative household of modest circumstances. Otherwise, the entire flat rent shall be

¹ The unadjusted rent is the FMR estimated directly from the American Community Survey (ACS) source data that HUD uses to calculate FMRs before HUD applies its state non-metropolitan minimum rent policy. HUD maintains a minimum FMR policy within Housing Choice Voucher program (HCV) in response to numerous public concerns that FMRs in rural areas were too low to operate the HCV program successfully. The policy establishes the FMRs at the higher of the local FMR or the State-wide average FMR of non-metropolitan counties, subject to a ceiling rent cap. The rationale for having a state minimum FMR is that some low-income, low-rent non-metropolitan counties have ACS-based FMR estimates that appear to be below long-term operating costs for standard quality rental units and raise concerns about housing quality. State minimum FMRs have been set at the respective state-wide population weighted median non-metropolitan rent level, but are not allowed to exceed the U.S. median non-metropolitan rent level.

paid by the resident to the PHHC.

Annually, no later than 90 calendar days after issuance of new FMRs or SAFMRs by HUD, the PHHC will compare the current flat rent amount to the applicable FMR (or SAFMR/unadjusted rent.) If the flat rent is at least 80 percent of the lower of the FMR (or SAFMR/unadjusted rent), the PHHC is in compliance with the law, and no further steps are necessary. If the flat rent is less than 80 percent of the lower of the FMR (or SAFMR), the PHHC will adjust the flat rents at no less than 80 percent of the lower of the FMR (or SAFMR /unadjusted rent), subject to the utilities adjustment required for tenant-paid utilities, or the PHHC may request an exception flat rent pursuant to Option Three, as described above. Revised flat rents will become effective for all families admitted after the flat rent is changed or at the lease renewal for an existing resident. (See footnote 1 for HUD's definition of "unadjusted rent" as relates to Flat Rent requirements).

As for flat rent phase-ins, previous regulations in PIH Notice 2014-12 and the subsequent FAQ's, HUD provided flexibility to phase in all flat rent increases over a three-year period, including those increases that were 35 percent or less.

However, the FY 2015 Appropriations Act provides the PHHC additional flexibility to establish flat rents at lower amounts, thereby eliminating the need for the three-year phase-in of flat rent increases that are 35 percent or less. Therefore, the only flat rent increases that will be phased-in are those where a family's rent will increase by more than 35 percent prior to any applicable adjustments for utility payments.

"Phase-ins" for families with rent increases at 35 percent or less last year shall follow the actions outlined below at the family's next annual rent option:

1. On a case-by-case basis, at the family's next annual rent option, compare the updated flat rent amount applicable to the unit to the rent that was being paid by the family immediately prior to the annual rent option;
 - a. If the updated flat rent amount would not increase a family's rental payment by more than 35 percent, the family may choose to pay either the updated flat rent amount or the previously calculated income-based rent;
 - b. If the agency determines that the updated flat rent amount would increase a household's rental payment by more than 35 percent, the family may choose to pay the phased-in flat rent amount resulting from the flat rent impact analysis or the previously calculated income-based rent.

Affected families will be given a 30 calendar day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for

more information on flat rents, see Section 15.3).

The Port Huron Housing Commission will post the flat rents at each of the developments and at the central office and are incorporated in this policy upon approval by the Board of Commissioners.

13.5 CEILING RENT

This income-based method of calculation, sometimes referred to as a “maximum” rent provides a cap on the amount the family will be required to pay for both rent and utilities.

The ceiling rent is equal to the sum of the current flat rent and the current utility allowance for the appropriate unit size.

When the Flat rents or the Utility allowances are adjusted, the Ceiling rents will reflect the changes and be adjusted accordingly. Affected families will be given a 30 calendar day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Port Huron Housing Commission will post the ceiling rents at each of the developments and at the central office and are incorporated in this policy upon approval by the Board of Commissioners.

13.6 RENT FOR FAMILIES UNDER THE NON-CITIZEN RULE

A mixed family is a family whose members include those with citizenship or eligible immigration status and those without citizenship or eligible immigration status.

A mixed family will received full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family’s head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional

time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. The maximum period of time for assistance under the provision is eighteen (18) months. The Port Huron Housing Commission will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Port Huron Housing Commission will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- Step 1. - Determine the total tenant payment in accordance with 24 CFR §5.628. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)
- Step 2. - Family maximum rent is equal to the applicable flat rent for the unit size to be occupied by the family.
- Step 3. - Subtract the total tenant payment from the family maximum rent. The result is the maximum subsidy for which the family could qualify if all members were eligible ("family maximum subsidy").
- Step 4. - Divide the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status ("eligible family member"). The subsidy per eligible family member is the "member maximum subsidy."
- Step 5. - Multiply the member maximum subsidy by the number of family members who have citizenship or eligible immigration status ("eligible family members"). The product of this calculation is the "eligible subsidy."
- Step 6. - The mixed family TTP is the maximum rent minus the amount of the eligible subsidy.
- Step 7. - Subtract any applicable utility allowance from the mixed family TTP. The result of this calculation is the mixed family tenant rent.

When the mixed family's TTP is greater than the maximum rent, the PHHC must use the TTP as the mixed family TTP.

13.7 UTILITY ALLOWANCE

The Port Huron Housing Commission shall establish a utility allowance for all

check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Port Huron Housing Commission will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc.). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Port Huron Housing Commission. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

For residents where their utility allowance exceeds the amount of their gross rent the PHHC may either:

- A. Refund that portion to the resident;
- B. Remit payment directly to the utility supplier on behalf of the Resident. The PHHC will notify the resident of the amount paid to the utility supplier.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Port Huron Housing Commission for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Port Huron Housing Commission purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Port Huron Housing Commission on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

For residents of the Public Senior Housing Program where the Port Huron Housing Commission pays for resident utility usage, the Port Huron Housing Commission has implemented an Excess Utility Charge. The Excess Utility Charge is an annual flat charge for the excess utility usage due to the use of air conditioning, freezers or additional refrigerators (using more than one refrigerator). The flat charge will be assessed to resident accounts annually for each season of air conditioning use, each freezer, and each additional refrigerator. These charges will be billed to and paid by residents once each year.

Each resident is notified of the Excess Utility Charge at the time of move in and notified of any rate changes during their tenancy. This charge is also posted at our Management Office.

13.8 PAYING RENT

Refer to the Rent Collection Policy and the Repayment Agreement Policy.

14.0 COMMUNITY SERVICE and SELF SUFFICIENCY REQUIREMENT (24 CFR 960 subpart F)

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either: (1) contribute eight hours per month of community service (community service is not employment, and may not include political activities); or (2) participate in an economic self-sufficiency program; or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement. The required hours of activity do not have to be performed on a per month basis provided there is a cumulative total equaling 8 hours for each month the family member(s) is subject to the Community Service Requirement. On an annual basis, at time of reexamination, all residents subject to the Community Service requirement must provide documentation of a minimum of 96 hours for the past 12 months or provide documentation of an exception for any month in which they qualified for one (each month of exemption provides an 8 hour reduction in required hours of activity) in order to remain in compliance with HUDs requirement.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 years of age or older.
- B. Family members who are:

1. Blind or disabled as defined under 216(l)(1) or 1614 of the Social Security Act (42 U.S.C. 416 (l)(1)), section 1382(c), and who certify, that because of this disability, she or he is unable to comply with the community service requirements.

or

2. The primary care giver of such an Individual

C. Family members engaged in work activities for at least 1040 hours per year as defined in section 407(d) of the Social Security Act, specified below:

1. Unsubsidized employment;
2. Subsidized private-sector employment;
3. Subsidized public-sector employment;
4. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
5. On-the-job-training;
6. Job-search and job readiness assistance;
7. Community service programs;
8. Vocational educational training (not to exceed 12 months with respect to any individual);
9. Job-skills training directly related to employment;
10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and

To meet the work activity requirement of an average of 20 hours per week, or 1040 hours per year, verification will be required. If the hours worked fall short of the minimum 1040 hours for the year, verification will then be required on a by month basis to determine which months, if any, the family member(s) qualifies for an exemption.

The family member(s) is subject to the Community Service Requirements for any month in which the family member does not qualify for an exemption.

- D. Able to meet requirements under a State program funded under part A of Title IV of the Social Security Act (42 U.S.C. Section 601 et seq.) or under any other welfare program in our State, including a State-administered Welfare-to-Work program; or
- E. A member of a family receiving assistance, benefits, or services under a State program funded under part A of Title IV of the Social Security Act (42 U.S.C. Section 601 et seq.), or under any other welfare program of our State (HUD has determined that the Supplemental Nutrition Assistance Program (SNAP) qualifies as a welfare program of the state. Therefore, if a tenant is a member of a family receiving assistance under SNAP, and has been found by the State to be in compliance with the program requirements, that tenant is exempt from the CSSR), including a State-administered Welfare-to-Work program, and has not been found by the State or other administering entity to be in non-compliance with such a program.
- F. Family members who have a documented medical limitation(s) that prevent compliance with the community service requirements.

14.3 NOTIFICATION OF THE REQUIREMENT

The Port Huron Housing Commission shall identify all adult family members who are apparently not exempt from the community service requirement.

The PHHC shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status in writing. The PHHC shall verify such claims. If a resident does not agree with the PHHC's determination, he or she can appeal by following the Grievance Policy. Changes in exempt or not-exempt status of a resident shall be reported by the resident to the PHHC with in ten (10) calendar days of the change.

At lease execution or re-examination, all adult members (18 or older) of a public housing resident family must:

- A. Provide all requested documentation, if applicable, that they qualify for an exemption; (Documentation provided by the tenant will be used (and verified if necessary) by the PHHC to determine whether the tenant is exempt from the CSSR), and
- B. Sign a certification that they have received and read the policy and understand that, if they are not exempt, failure to comply with the community service requirement will result in non-renewal of their

lease, per 24 CFR 966.4(l)(2)(iii)(D).

When a non-exempt person becomes exempt, it is his or her responsibility to report this to the PHHC and provide documentation. When an exempt person becomes non-exempt, it is his or her responsibility to report this to the PHHC as soon as possible.

For families paying the flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 COMMUNITY SERVICE/VOLUNTEER OPPORTUNITIES

Eligible community service activities include, but are not limited to, serving at:

- A. Local public or non-profit institutions, such as schools, Head Start Programs, before- or after-school programs, childcare centers, hospitals, clinics, hospices, nursing homes, recreation centers, senior centers, adult daycare programs, homeless shelters, feeding programs, food banks (distributing either donated or commodity foods), or clothes closets (distributing donated clothing);
- B. Non-profit organizations serving PHHC residents or their children, such as: Boy or Girl Scouts, Boys or Girls Club, 4-H Clubs, Police Activities League (PAL), organized children's recreation, mentoring, or education programs, Big Brothers or Big Sisters, Garden Centers, community clean-up programs, beautification programs;
- C. Programs funded under the Older Americans Act, such as Green Thumb, Service Corps of Retired Executives, senior meals programs, senior centers, Meals on Wheels;
- D. Public or non-profit organizations dedicated to seniors, youth, children, residents, citizens, special-needs populations or with missions to enhance the environment, historic resources, cultural identities, neighborhoods or performing arts;
- E. PHHC to improve grounds or provide gardens (so long as such work does not alter the PHHCs insurance coverage), or work through resident organizations to help other residents with problems, including serving on the Resident Advisory Board, outreach and assistance with PHHC-run self-sufficiency activities including supporting computer learning centers; and
- F. Care for the children of other residents so parents may volunteer (non-employment).

Eligible self-sufficiency activities include, but are not limited, to:

- A. Job readiness or job training while not employed;
- B. Training programs through local One-Stop Career Centers, Workforce Investment Boards (local entities administered through the U.S. Department of Labor), or other training providers;
- C. Higher education (junior college or college);
- D. Apprenticeships (formal or informal);
- E. Substance abuse or mental health counseling;
- F. Reading, financial and/or computer literacy classes;
- G. English as a Second Language and/or English proficiency classes;
- H. Budgeting and credit counseling.

The Port Huron Housing Commission will try to coordinate with outside sources such as social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Port Huron Housing Commission may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers. The PHHC may also create other volunteer opportunities to assist residents in meeting their Community Service Requirements.

14.5 THE PROCESS

Upon Admission and each annual reexamination, thereafter, the Port Huron Housing Commission will determine and document, whether each adult family member is subject to, or exempt from, the Community Service Requirements. If one or more family members is subject to the Community Service Requirements, the Port Huron Housing Commission will do the following:

- A. Provide a list of known volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to each non-exempt family member, with instructions for the time sheet requiring the family member(s) to complete the form and have a supervisor date and sign for each period of work.

- D. Assign family members to a volunteer coordinator or their Property Manager who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator or the Property Manager will track the family member's progress and will meet with the family member as needed to best encourage compliance.
- E. At each regularly scheduled rent re-examination, each non-exempt family member will present a signed certification on a form provided by the PHHC of CSSR activities performed over the previous twelve (12) months.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Port Huron Housing Commission will notify any family found to be in non-compliance of the following:

- A. The family member(s) has been determined to be in non-compliance;
- B. That the determination is subject to the grievance procedure, a right to be represented by counsel, and the opportunity to any available judicial remedy; and
- C. That, unless the family member(s) enter into a written workout agreement, the lease will not be renewed.

14.7 OPPORTUNITY FOR CURE

The Port Huron Housing Commission will offer the family member(s) the opportunity to enter into a written work out agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The volunteer coordinator or the Property Manager will assist the family member(s) in identifying volunteer opportunities and will track.

If any applicable family member does not accept the terms of the written work out agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Port Huron Housing Commission shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Port Huron Housing Commission may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the Port Huron Housing Commission will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, (2) whether the family is housed in the correct unit size, and (3) their continued eligibility.

15.1 GENERAL

The Port Huron Housing Commission will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or the income formula method, and scheduling an appointment if they are currently paying the income formula rent. If the family thinks they may want to switch from a flat rent to the income formula rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Port Huron Housing Commission will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

Each member of the family who is at least 18 years of age, and each family head or spouse regardless of age, shall sign one or more consent forms at least annually to remain eligible for continued assistance. Please refer to Section 8.2 E for the requirements of the consent form(s).

Also, during the re-certification, each household shall be asked whether any member, regardless of age, is subject to any sex offender registration requirement under a state registration program. The Housing Commission will verify this information using the Dru Sjodin National Sex Offender Database and document this information in the same method used at admission.

At least every other year during the re-certification process, and any other time deemed necessary, a criminal background check will be performed on each family member over the age of 18.

For any admissions after June 25, 2001 (the effective date of the Screening and Eviction for Drug Abuse and Other Criminal Activity final rule), if the re-certification screening reveals that the tenant or a member of the tenant's household is subject to a lifetime sex offender registration requirement, or that the tenant has falsified information or otherwise failed to disclose his or her criminal history on their application and/or re-certification forms, the PHHC will pursue eviction of the household.

If a family is about to be evicted from housing based on either the criminal check, or the sex offender registration program, the family will be informed of this fact and given the opportunity to dispute the accuracy of the information before the eviction occurs. (See section on Suitability)

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Port Huron Housing Commission taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income formula amount.
- B. The amount of the flat rent and the PHHCs policies on switching rent type due to financial hardship.
- C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo. Families paying flat rents would not have their flat rents adjusted (up or down) until their

next annual reexamination.

- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
1. The family's income has decreased.
 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 3. Other circumstances creating a hardship on the family such that the income formula method would be more financially feasible for the family.

Once a family returns to the income based method during their "lease year" they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Port Huron Housing Commission expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, the Port Huron Housing Commission will send a reexamination letter to the family offering the choice between a flat or an income formula rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Port Huron Housing Commission may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Housing Commission representative, they may make the selection on the form and return the form to the Housing Commission. In such case, the Housing Commission will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

15.4 THE INCOME FORMULA METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of the rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Port Huron Housing Commission will determine the family's annual income and will calculate their rent as follows:

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income;
- C. Welfare Rent - If the family is receiving payments for welfare assistance from a public agency and part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$50.00.
- E. Ceiling Rent

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the Annual Re-certification (Re-examination) date with a written thirty (30) calendar days' notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30 calendar day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Once rent is established, such rental shall remain in effect until the next annual reexamination or until circumstances occur that warrant an interim reexamination.

Families will not be required to report any decrease in income or increase in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Port Huron Housing Commission between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.
- C. The family has an increase in income that exceeds \$100 or more in a month or decrease in allowable expenses (such as an increase in a welfare recipient's grant, an increase in wages or the award of Social Security and VA benefits.)

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request in writing that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants.

The Port Huron Housing Commission will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.9.

15.7 CONSIDERATION OF A LIVE - IN AIDE

A family that consists of one or more elderly, near-elderly or disabled person(s) may request that the PHHC approve a live-in aide to reside in the unit and provide necessary supportive services for a family member who is a person with disabilities.

A live-in aide, as defined by HUD (24 CFR 5.403) is someone who resides with one or more elderly, near elderly, or disabled persons and who:

1. Is determined to be essential to the care and well-being of the person(s);
2. Is not obligated for the support of the persons; and
3. Would not be otherwise residing in the unit except to provide the necessary supportive services.

Requests for a live-in aide must be in writing, and must be accompanied by written verification from a doctor or other health professional verifying the need for a live-in aide. Before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship or eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Port Huron Housing Commission will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review.

If approved:

1. The live-in aide will be allowed to reside in the unit, and will used in determining number of bedrooms necessary for the family unit size.
2. The live-in Aide's name will be listed a on the Lease and be specified as a "live-in aide" only (may also be by way of addendum or certification) and will also be reported to HUD on the 50058 under the proper code.
3. The live-in aide will have no legal rights to program benefits. They will not be considered members of the household or a member of the family. If the family who requires the live-in aide no longer resides in the unit, no longer requires live-in aid assistance, no longer desires the assistance, or is terminated or evicted from assistance or residency, the live-in aide will no longer be approved. Under no circumstances will the live-in-aide be considered the last remaining member of a tenant family.
4. A live-in aide must abide by the lease and all program rules, regulations, and policy.
5. A live-in aide will have no effect on the family's income or allowances.

At any time, the Port Huron Housing Commission may refuse to approve a particular person as a live-in aide, or may withdraw such approval if:

1. The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
2. The person commits drug related criminal activity or violent criminal activity; or
3. The person currently owes rent or other amounts to the PHHC in connection with Section 8 or Public Housing assistance under the 1937 Act.

4. It is determined that the live-in aide is no longer necessary.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Port Huron Housing Commission will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.8 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Port Huron Housing Commission may schedule special reexaminations every sixty (60) calendar days until the income stabilizes and an annual income can be determined.

15.9 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.10 HOUSING COMMISSION MISTAKES IN CALCULATING RENT

If the Port Huron Housing Commission makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twelve (12) months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the PHHC money in which case the credit shall be used to offset the debt/balance owed to the PHHC to the extent possible. If a credit is still due to the resident after offsetting the debt/balance owed, the resident may choose between the refund methods listed above.

If the PHHC makes a mistake in calculating a resident's rent contribution and undercharges the resident, the amount undercharged will be forgiven, and the PHHC will not attempt to collect any amounts undercharged, regardless

of the length of time the error occurred.

15.11 OVER INCOME FAMILIES

Beginning March 24, 2019, the Housing Commission shall track all public housing residents who have an adjusted income over 120% of the Area Median Income (AMI). This is defined by HUD as 2.4 times the HUD determined Very Low-Income limit for the Commission's jurisdiction. The limit will be adjusted each year within 60 days after HUD publishes new income limits. When the Commission becomes aware, through an annual re-examination or an interim re-examination of an increase in income, that a family's adjusted income exceeds the applicable income limit, the Commission must, per HUD regulation, document in the family's tenant file that the family exceeds the threshold, to compare with the family's income at the end of the next 12 month period.

If, after 12 months from the initial determination by the Commission that a family's adjusted income exceeds the over-income limit, and the family's adjusted income continues to exceed the over-income limit, the commission must, as required by regulation, provide written notification to the family that their income has exceeded the over-income limit for one year. The written notification shall further state that if the family's adjusted income continues to exceed the over-income limit for the next 12 consecutive months, the family will be subject to either a higher rent (as determined on a HUD formula (not yet provided by HUD), or termination. The commission will determine which of these two (2) options to implement upon further HUD guidance. The form HUD-50058 actions that would trigger the two-year grace period are: "2 = Annual Reexamination" and "3 = Interim Reexamination".

All notices and communications will be made available in a manner appropriate for persons with hearing, visual or other disabilities.

If the Commission discovers, through an annual or interim re-examination, that the family's adjusted income falls below the over-income limit, the two-year period starts over again, if the family exceeds the limit in the future.

The Commission will follow the requirement to submit an annual report on the number of over-income families and the number of families on the public housing waiting lists when HUD makes the requirement effective through separate PIH notice.

Exempted from this regulation are families with a valid Family Self-Sufficiency (FSS) contract, or families where at least one family member is receiving the Earned Income Disregard benefit.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

Title:	PHHC Public Housing Program – Admissions and Continued Occupancy Policy (ACOP)
Introduced:	03-17-2020
Adopted Eff:	07-01-2021
Res. No.:	2021-02

Previous editions are obsolete

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Port Huron Housing Commission de-concentration goal, if appropriate.
- F. To eliminate vacancy loss and other expense due to unnecessary transfers.
- G. To assist residents, lawful occupants, or affiliated individuals who are victims of actual or threatened domestic violence, dating violence, sexual assault, or stalking according to VAWA.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when:

1. Conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve a hate crime, VAWA victims*, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
2. Overcrowding issues exist in accordance with HUD's occupancy Standards. (This type of transfer is not the same as the Category D transfers which are done to correct over housed (unit too large for family size)).

All emergency transfers shall be completed as soon as practical.

*The PHHC has a specific VAWA Emergency Transfer Plan that is incorporated by reference into this ACOP and will govern all transfers requested under VAWA.

Note: HUD's "Occupancy Standards" are set by HUD and are not the same as the "Bedroom Assignment Consideration Guidelines" that are determined by the PHHC. (See Section 10.2) "Bedroom Assignment Consideration Guideline" issues are covered in Category C.

Category B: Immediate Transfers. These transfers are necessary in order to:

1. Enable modernization work to proceed, with Modernization work taking precedence over other Category B transfers when the Executive Director deems it is in the best interest of the Housing Commission.
2. Permit a family with an approved Reasonable Accommodation request needing a physical accessible feature(s) offered in a specific type of unit, to move to a unit with such a feature when it becomes available.

When a Handicapped Accessible unit becomes available, it shall first be offered in accordance to Section 10.5 – Offer of a Unit.

3. To require a Category D family to transfer when the Housing Commission finds it necessary and in the best interest of the Housing Commission. (ie., to meet Housing Commission goals and/or to supplement program admission waiting list needs, etc.)
4. Other transfers approved by the Housing Commission Director when a transfer is the only or best way of solving a serious problem of an emergent nature not covered in Category A.

Category C: Regular transfers. These transfers are made to:

1. Offer incentives to families willing to help meet certain Port Huron Housing Commission occupancy goals, if appropriate;
2. Correct Bedroom Assignment Consideration Guideline issues where the unit size is inappropriate for the size and composition of the family;
3. Allow for non-emergency but medically advisable reasonable accommodation transfers;
4. Other transfers approved the Housing Commission Director when a transfer is the only or best way of solving a serious problem of a non-emergent nature.

Note: “Bedroom Assignment Consideration Guidelines” are set by the PHHC, and are not the same as HUD’s occupancy Standards. (See Section 10.2) HUD’s “Occupancy Standard” issues are covered in Category A.

Category D: Administratively Identified Over-Housed Families. (Families that have not requested to move.)

These transfers are made to correct/adjust the bedroom size of families that

are in “Over Housed” situations (unit/bedroom size is bigger than the family needs). (This type of transfer is not the same as the Category A transfers which are done to correct under housed (overcrowding) issues in accordance with HUD’s occupancy Standards.

Note: Bedroom Assignment Consideration Guidelines, set by the PHHC, are not the same as HUD’s occupancy Standards. (See Section 10.2) HUD’s occupancy Standard issues are covered in Category A.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

When the transfer is a result of VAWA, the documentation required under the VAWA Emergency Transfer Plan shall be required.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C and D will be housed along with applicants for admission at a ratio of one transfer to every fourteen (14) admissions per Public Housing Project AMP.

Transfers in Category C and D will be housed on a rotating basis.

Upon offer and acceptance of a unit, the family will execute all lease-up documents and pay any rent and/or security deposit within two (2) calendar days of being informed the unit is ready to rent. The family will be allowed three calendar (3) days to complete a transfer. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution. The family must sign a form upon execution of the new Lease which releases possession of the old unit and any remaining contents to the Port Huron Housing Commission on the 4th calendar day following execution of the new Lease. If additional days are

required, the family must request the number of days required in writing prior to the 4th calendar day not to exceed an additional three (3) calendar days. If keys are not returned for the old unit prior to the 4th calendar day following the execution of the new unit lease execution (even if additional days have been requested and approved), a vacancy loss fee, equal to the current applicable Flat Rent Rate, will be charged on a per day basis, including for additional approved days.

Any special conditions and/or agreements set forth in any “Conference Agreement” signed by the family previous to the transfer, but still subject to the enforceable period, will be transferred to the new unit’s lease for the remaining duration of time as prescribed and agreed to the active Conference Agreement.

Families will be provided with a 30 calendar day notice to move unless otherwise agreed upon.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list. Good cause is determined on a case by case basis.
- B. If the transfer is being made at the request of the Port Huron Housing Commission and the family rejects two offers without good cause, the Housing Commission will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Housing Commission’s optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room. Good cause is determined on a case by case basis.
- C. If the transfer is being made at the family’s request and the rejected offer provides de-concentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family’s request, the family may, without good cause and without penalty, turn down one offer that does not include de-concentration incentives. After turning down a second such offer without good cause, the family’s name will be removed from the transfer list. Good cause is determined on a case by case basis.
- E. If the family has requested a transfer that does not meet accessibility requirements (i.e., a person in a wheelchair has requested a specific unit without accessibility features), they will be required to sign a Certification of Resident’s Selection of a Non-Accessible Unit form

16.6 COST OF THE FAMILY’S MOVE

- A. The cost of the transfer generally will be borne by the family in the following circumstances:
1. When the transfer is made at the request of the family or by other on behalf of the family (i.e. by the police);
 2. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller; or
 3. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.
 4. When the Transfer is made under VAWA
- B. The cost of the transfer will be borne by the Housing Commission in the following circumstances:
1. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
 2. When action or inaction by the Housing Commission has caused the unit to be unsafe or inhabitable or other emergency conditions that the PHHC is unable to repair within 24 hours.
 3. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved.
 4. Transfers needed a reasonable accommodation

The responsibility for moving costs in other circumstances will be determined on a case by case basis in accordance with PH Occ GB, Section 11.7.

The reasonable cost of transfers will be determined in accordance with PH Occ GB, Section 11.7.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Housing Commission or is a VAWA victim. This means the family must be in compliance with their lease, current in all payments to the Housing Commission, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request the Port Huron Housing Commission may request a meeting with the tenant to better understand the need for transfer

and to explore possible alternatives. The Housing Commission will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within fourteen (14) calendar days of receipt of the request to schedule a meeting.

The Housing Commission will grant or deny the transfer request in writing within fourteen (14) calendar days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, a denial letter will be sent to the family. The denial letter will advise the family of their right to utilize the grievance procedure. If the transfer is requested under VAWA, the provisions of VAWA shall apply.

16.9 RIGHT OF THE PORT HURON HOUSING COMMISSION IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of maintaining a transfer list. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

16.10 ACCEPTANCE OF A UNIT (TRANSFER)

Persons requesting transfers will be allowed to view the unit prior to acceptance or denial.

17.0 INSPECTIONS

An authorized representative of the Port Huron Housing Commission and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Housing Commission file and a copy given to the family member. An authorized Housing Commission representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Housing Commission damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Port Huron Housing Commission and an adult member of the family will inspect the unit. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the

original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Port Huron Housing Commission will inspect each public housing unit annually to ensure that each unit meets the Housing Commission's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization, checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Port Huron Housing Commission.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Port Huron Housing Commission will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Port Huron Housing Commission will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Port Huron Housing Commission has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Port Huron Housing Commission will offer to schedule a pre-move-out inspection with the family.

The inspection allows the Housing Commission to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Housing Commission to ready units more quickly for the future occupants. Families transferring to another program operated by the Port Huron Housing Commission (Section 8 Voucher Program) are required to have a pre-move-out inspection and estimated charges must be paid in full as well as any other balances due prior to acceptance to the other program.

17.9 MOVE-OUT INSPECTIONS

The Port Huron Housing Commission conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 MINIMUM HEATING STANDARD

The Port Huron Housing Commission shall comply with the local minimum heating standards as established by the City of Port Huron which is currently set at 70 degrees.

In the absence of local minimum heating standards, HUD requires the following minimum heating standards for a public housing dwelling unit in order to comply with section 111 of HOTMA.

Minimum Temperature:

In properties where the heat is PHHC-controlled, the minimum in each unit must be at least 68 degrees Fahrenheit.

In properties where the heat is tenant-controlled, then the heating equipment must have the capability of heating to at least 68 degrees Fahrenheit.

19.0 PET POLICY (FAMILY AND SENIOR)

Refer to Pet Policy.

20.0 FORMAL REPAYMENT AGREEMENTS

Refer to the "Repayment Agreement Policy"

21.2 TERMINATION BY THE HOUSING COMMISSION

- HH. Any other good cause.

In deciding whether to exercise their discretion to terminate an individual or household that has engaged in criminal activity, the PHHC will consider all of the circumstances relevant to the particular admission or eviction decision, including but not limited to: the seriousness of the offending action; the effect that eviction of the entire household would have on family members not involved in the criminal activity; and the extent to which the leaseholder has taken all reasonable steps to prevent or mitigate the criminal activity.

An arrest record, alone, will not serve as sufficient evidence of criminal activity that can support an adverse termination, or eviction decision. Before the PHHC evicts an individual or household on the basis of criminal activity by a household member or guest, it will determine that the relevant individual actually engaged in such activity.

An arrest record can trigger an inquiry into whether there is sufficient evidence to determine that a person engaged in disqualifying criminal activity, but is not itself evidence on which to base a determination. The PHHC can utilize other evidence, such as police reports detailing the circumstances of the arrest, witness statements, and other relevant documentation to assist them in making a determination that disqualifying conduct occurred. Reliable evidence of a conviction for criminal conduct that would disqualify an individual for tenancy may also be the basis for determining that the disqualifying conduct in fact occurred.

When criminal records are used for the purposes to deny admission (or eviction or lease enforcement action) for criminal activity as shown by the criminal record, or the Sex Offender Registration, the PHHC will notify the household of the proposed action and will provide the subject of the record, and the tenant, with a copy of such information, and an opportunity to dispute the accuracy and the relevance of the record. This opportunity will be

provided before eviction or lease enforcement action on the basis of such information. Households will be given a “Notice of Occupancy Rights under the Violence Against Women Act” which provides information on their rights and responsibilities under the Violence Against Women Act (VAWA). A copy of the HUD-approved Certification form shall also be provided with the notice. (The cost of obtaining the criminal record check will not be passed along to the tenant participant.) (24 CFR 905 (d)) fourteen (14) calendar days to dispute the accuracy and relevance of the record in writing. If the Port Huron Housing Commission does not receive the dispute within the allotted time, the eviction or lease enforcement action will continue.

If an individual or family’s lease is terminated for criminal activity, the Port Huron Housing Commission will notify the local post office serving the development that the individual or family no longer lives there.

21.3 CONSIDERING CIRCUMSTANCES (See also: Section 24.4)

- A. In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Port Huron Housing Commission may consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity, and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.
- B. The Port Huron Housing Commission may require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination. The submission of false information may be the basis for eviction.
- C. In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Port Huron Housing Commission may consider whether such household member:
 - 1. Is participating in a supervised drug or alcohol rehabilitation program;
 - 2. Has successfully completed a supervised drug or alcohol rehabilitation program; or
 - 3. Has otherwise been successfully rehabilitated.

For this purpose, the Port Huron Housing Commission may require the leaseholder to submit evidence of one of the above 3 statements.

An incident or incidents of actual and imminent or threatened domestic violence, dating violence, sexual assault or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence. An actual and imminent threat consists of a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

The Port Huron Housing Commission may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence, sexual assault or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants.

The Port Huron Housing Commission may honor court orders regarding the rights of access or control of the property, including EPO's, DVO's, and other orders issued to protect the victim and disused to address the distribution or possession of property among household members where the family "breaks up."

There is no limitation on the ability of the Port Huron Housing Commission to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence, or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims.

There is no prohibition on the Port Huron Housing Commission evicting if it "can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's (victim's) tenancy is not terminated."

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The Port Huron Housing Commission may require certification by the victim of victim status on such forms as the Port Huron Housing Commission and/or HUD shall prescribe or approve.

For situations involving, or possibly involving, victims of domestic Violence and the protections they may be entitled to under the Violence Against Women Act please refer to Section 25.0, Violence Against Women Act Policy.

21.4 TERMINATIONS FOR CRIMINAL ACTIVITY

- A. The term “due process determination” means a determination by HUD that law covering the Port Huron Housing Commission’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.

HUD has issued that determination for this State. The Port Huron Housing Commission has therefore determined that the Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:

1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Port Huron Housing Commission’s premises by other residents or employees of the Housing Commission;
2. Any violent or drug-related criminal activity on or off such premises; or
3. Any activity resulting in a felony conviction.

21.5 ABSENCE FROM THE UNIT/ABANDONMENT

Absence from the Unit: Absence means that no member of the family is residing in the unit.

A family can be absent from their unit for periods of up to 60 calendar days without PHHC approval, however, the tenant must contact the PHHC Management Office within 14 calendar days of the onset of the absence and provide contact information for the family, as well as contact information for a responsible party (up to and including a temporary Power of Attorney if deemed necessary) to represent the family to assist with any issues that may arise during the period of absence.

Absences of more than 60 calendar days, must be approved by the PHHC. Absences between 61 -180 calendar days may be approved by the PHHC for extenuating circumstances (i.e., illness, incarceration, etc.,). All other Program/tenancy Obligations must be met or the risk of Program termination/eviction may occur.

The family must supply any information or certification requested by the PHHC to verify that the family is living in the unit, or relating to family absence from the unit, including any PHHC requested information or certification regarding the purposes of family absences. The family must cooperate with the PHHC for this purpose.

Authorized absences may include, but are not limited to:

1. Prolonged hospitalization;
2. Absences beyond the control of the family (i.e., death in the family, other family member illness);
3. Incarceration;
4. Other absences that are deemed necessary by the PHHC.

Any family absent from the unit for more than 180 calendar days, regardless of good cause or not, will be terminated.

“Abandonment” is distinguished from an absence from your apartment by the failure to pay your rent and failure to acknowledge or respond to notices from the PHHC regarding overdue rent. (If rent is paid, a tenant is still in possession, whether or not the unit appears to be vacated.)

The Port Huron Housing Commission will consider a unit to be abandoned if/when a resident has both fallen behind in rent with no response or acknowledgement of notices from the PHHC AND has clearly indicated by words, actions or inactions, an intention not to continue living in the unit.

When a unit has been abandoned, the Port Huron Housing Commission will pursue court action.

21.6 RETURN OF SECURITY DEPOSIT

After a family moves out, the Port Huron Housing Commission will return the security deposit within 30 calendar days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The Housing Commission will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within thirty (30) calendar days.

21.7 DECEASED TENANTS AND EIV’s DECEASED TENANTS REPORT

The Port Huron Housing Commission shall generate the EIV’s Deceased Tenants Report monthly, shortly before either the end of the month or creating rent statements to see if the system flags deceased residents. The Port Huron Housing Commission shall review the report and follow up with

any listed families immediately and take any necessary corrective action set forth in PIH Notice 2010.50 or successor publications.

If it is a single member of household, immediately visit the unit and determine if it is vacant or occupied by an unauthorized person. If improperly occupied, take immediate eviction actions under state law. If the property is occupied by a live-in-aide, to the deceased person, the aid must move out immediately and is not eligible for continued occupancy or rental assistance.

Upon notification of the death of a single member household, either by HUD's EIV system or a third party, the family or designee of the deceased tenant's estate will be allotted fourteen (14) consecutive days, beginning the day after the date of notification, for the family or designee of the descendant's estate to remove personal belongings from the unit unless:

1. There is a state or local law which requires a shorter or longer time frame to remove personal belongings. In this instance, the PHHC will comply with local and or state law; or
2. The rent has been paid for the month in which the death occurs, in advance of the date of death. In these circumstances, the family or designee of the deceased tenant's estate will be allotted time through the end of the month in which the rent has been paid, or fourteen (14) consecutive days from the day after the date the PHHC is notified of the death, whichever is greater.

22.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Port Huron Housing Commission is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Port Huron Housing Commission wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.

- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Port Huron Housing Commission will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

23.0 ANTI-FRAUD POLICY

The Port Huron Housing Commission is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Port Huron Housing Commission. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Port Huron Housing Commission shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Port Huron Housing Commission shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in section 20 of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Port Huron Housing Commission deems appropriate.

Refer to the Fraud Policy, Specifically the Section Titled "Fraud Policy as it Relates To tenants" for further information.

24.0 APPEALS AND GRIEVANCES

24.1 FOR THE APPLICANT - INFORMAL REVIEW and INFORMAL HEARING
(24 CFR 960.208 (a) and PH Occ GB p. 58)

A. INFORMAL REVIEW FOR THE APPLICANT

Applicants who have been “withdrawn” from the Waiting list are not entitled to an Informal Hearing, however, they may request an informal review of their status. These reasons include:

1. Applicants who request to be removed.
2. Applicant fails to respond to a written request for information
3. Applicant fails to respond to a request to declare their continued interest in the program as requested by the PHHC
4. Applicant fails to follow through with requirements of processing their application

(For Informal Hearing requests for applicants who have been denied/rejected due to eligibility and or suitability, refer to section 24.1, B.)

Notification: When an applicant is withdrawn from the waiting list for reasons specified above, the PHHC will send notification to such an applicant, only when there has been an expressed continued interest in the program as requested by the PHHC.

Informal Review Process

The PHHC will give an applicant an opportunity for an informal review if requested in writing and the applicant’s file has not exceeded the records retention requirements.

The procedure is as follows:

The review will be conducted by any person or persons designated by the PHHC other than the person(s) who made or approved the decision to remove the applicant’s name from the Waiting List.

1. The applicant will be given an opportunity to present written or oral objections to their applicant status.
2. The PHHC will notify the applicant of the PHHC’s decision after the informal review within fourteen (14) calendar days of receiving the applicants request for an informal review and/or of receiving all information requested from the applicant to assist the PHHC in making a decision in the review process, if any, whichever comes later. The notification will include a brief statement of the reasons for the final decision.

Should the PHHC require an extension of the 14 calendar days to make a final decision, the PHHC will notify the applicant in

writing prior to the end of the 14 calendar days with a statement of the reasons for the extension and a statement of the approximate date the final decision will be made.

B. INFORMAL HEARING FOR THE APPLICANT (24CFR 960.208 (a) and PH Occ GB p. 58)

The purpose of the Informal Hearing is to permit the applicant to hear the details of the reasons for denial, present evidence to the contrary if available and claim mitigating circumstances if applicable.

When the PHHC denies an applicant based upon the fact that the applicant does not meet either the eligibility or suitability criteria for the program, the PHHC will provide the applicant with a formal notice of denial for admission and provide the applicant with the opportunity to dispute the decision through the Informal Hearing process. This process may be conducted in person, by mail, by telephone, conference call, webcast or video call. (Please see notice PIH 2020-32 or successor notice for guidance on remote briefing requirements.) The Informal Hearing for a denied applicant is not the same process as an Informal Hearing for a tenant "Grievance".

1. NOTICE TO THE APPLICANT

The PHHC will give an applicant for participation in the Public Housing Program prompt notice of a decision denying assistance to the applicant. The notice will:

- a. Contain a brief statement of the reasons for the decision; and
- b. State that if the family does not agree with the decision, the family may request an Informal Hearing; and
- c. State that the request for the Informal Hearing must be received within fourteen (14) calendar days of the date of notification of denial.

2. INFORMAL HEARING PROCESS FOR THE APPLICANT

The procedure is as follows:

a. REQUEST FOR INFORMAL HEARING

The applicant's request for an Informal Hearing must be made in writing and delivered to the PHHC in person or by first class mail no later than 14 calendar days for the date of the PHHC's notification of denial of admission.

The written request shall state:

1. The reasons for the dispute
2. The action or relief sought

b. SCHEDULING THE INFORMAL HEARING

The PHHC will schedule and send notice of the time, date, and place of the Informal Hearing within 14 calendar days of the family's request.

Due to the time sensitive nature of the Informal Hearing process, it is extremely important that scheduled Informal Hearing times be adhered to. Informal Hearings will only be rescheduled due to extenuating circumstances. Extenuating circumstances must be proven and/or documented in order for the Informal Hearing to be rescheduled.

If the Applicant fails to appear for the scheduled Informal Hearing, the denial of admission will stand and the family will be notified of such. The PHHC will consider the failure to appear as the applicant's waiver of their right to an Informal Hearing. This action shall not constitute the applicant's waiver of any rights they may have to seek judicial proceedings.

c. SELECTION OF HEARING OFFICER

The Informal Hearing shall be conducted by an impartial person or persons appointed by the PHHC. The Hearing Officer shall not be a person who has been involved in the situation for which the Informal Hearing was requested or a subordinate of such person.

d. PROCEDURES GOVERNING THE INFORMAL HEARING FOR THE APPLICANT

The applicant shall be afforded a fair Informal Hearing, which shall include:

1. The opportunity to examine before the grievance Informal Hearing any Housing Commission documents, including records and regulations that are directly relevant to the Informal Hearing. The applicant shall be provided a copy of any such document(s) at the applicant's expense. If the Port Huron Housing Commission does not make the document(s) available for examination upon request by the resident, the Housing Commission

may not rely on such document at the Informal Hearing.

2. The right to be represented by counsel or other person chosen as the applicant's representative and to have such person make statements on the applicant's behalf. Notification must be given to the Port Huron Housing Commission prior to the scheduled Informal Hearing that representation has been sought and will be present at such Informal Hearing.
3. The right to present evidence and arguments in support of the applicant's complaint, to controvert evidence relied on by the Housing Commission and to confront and cross examine all witnesses upon whose testimony or information the Housing Commission management relies; and
4. A decision based solely and exclusively upon the facts presented at the Informal Hearing.

The Hearing Officer may render a decision without holding an informal hearing if the Hearing Officer determines that the issue has been previously decided at another hearing proceeding.

The following accommodations will be made for persons with disabilities:

1. The Port Huron Housing Commission shall provide reasonable accommodations for persons with disabilities to participate in the Informal Hearing. Reasonable accommodations may include qualified sign language interpreters, readers, accessible locations, or attendants.
2. If the applicant is visually impaired, any notice to the applicant that is required by these procedures must be in an accessible format.

e. **DECISION OF THE HEARING OFFICER**

The Hearing Officer shall prepare a written decision, together with the reasons therefore, within fourteen (14) calendar days after the Informal Hearing. A copy of the decision shall be sent to the applicant and the Housing

Commission shall retain a copy of the decision in the applicant's file. A copy of such decision with all names and identifying references deleted shall also be maintained on file by the Port Huron Housing Commission and made available for inspection by a prospective complainant, his or her representative, or the Hearing Officer.

Should the Hearing Officer require an extension of the fourteen (14) calendar days to make a final decision, they will notify the PHHC and/or the program applicant in writing prior to the end of the fourteen (14) calendar days with a statement of the reasons for the extension and a statement of the approximate date the final decision will be made.

A decision by the Hearing Officer in favor of the Port Huron Housing Commission or which denies relief requested by the applicant in whole or in part, shall not constitute a waiver of, nor affect in any manner whatsoever, any rights the applicant may have to a trial or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

A written record of the Informal Hearing decision will be mailed and placed in the applicants file.

If the hearing decision overturns the denial, processing for admission will resume.

24.2 FOR THE TENANT - PUBLIC HOUSING GRIEVANCE PROCEDURES INFORMAL SETTLEMENT OF GRIEVANCE (24 CFR 966.54) AND HEARING (24 CFR 966.55)

This Section is the "PUBLIC HOUSING GRIEVANCE PROCEDURE"

The grievance procedure is an administrative method prescribed by HUD to deal with resident complaints. The PHHC Grievance Procedures meet the regulation requirements as set forth in 24 CFR 966.50-57. This grievance procedure is a part of the Tenant Handbook and a part of the PHHC Lease by reference.

This grievance procedure is not applicable to disputes between tenants not involving the Port Huron Housing Commission, nor is it intended as a forum for initiating or negotiating policy changes between a group or groups of tenants and the Housing Commission's Board of Commissioners.

A copy of this grievance procedure is provided to each tenant and to Resident Organizations.

There are 2 steps in the Grievance Process.

1. The Informal Settlement.
2. The Hearing.

The PHHC shall provide at least 30 calendar days' notice to tenants and resident organizations setting forth proposed changes in the PHHC Grievance Procedure and will provide an opportunity to present written comments. Subject to HUD requirements, any comments submitted will be considered by the PHHC before adoption of any change by the PHHC.

- A. DEFINITIONS - For the purpose of this section, the following definitions are applicable:

Grievance: shall mean any dispute which a tenant may have with respect to PHHC action or failure to act in accordance with the individual tenant's lease or PHA regulations which adversely affect the individual tenant's rights, duties, welfare or status.

Complainant: shall mean any tenant whose grievance is presented to the PHHC or at the project management office in accordance with 24 CFR 966.54 and 966.55(a).

Elements of due process: shall mean an eviction action or a termination of tenancy in a State or local court in which the following procedural safeguards are required:

1. Adequate notice to the tenant of the grounds for terminating the tenancy and for eviction;
2. Right of the tenant to be represented by counsel;
3. Opportunity for the tenant to refute the evidence presented by the PHHC including the right to confront and cross-examine witnesses and to present any affirmative legal or equitable defense which the tenant may have;
4. A decision on the merits.

Hearing officer: shall mean a person selected in accordance with 24 CFR 966.55 of this subpart to hear grievances and render a decision with respect thereto.

Hearing panel: shall mean a panel selected in accordance with 24 CFR 966.55 of this subpart to hear grievances and render a decision with respect thereto.

Resident Organization: An organization of residents, which also may include a resident management corporation.

B. DUE PROCESS DETERMINATIONS (24 CFR 966.51(a)(2))

In certain situations HUD has issued due process determinations, which means a determination by HUD that the law of the jurisdiction requires that the tenant must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit. When HUD has issued a due process determination, it allows for the exclusion from a housing authorities administrative grievance process. Therefore, the Port Huron Housing Commission will exclude from the grievance procedure any grievance concerning a termination of tenancy or eviction that involves the following:

1. Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises of other residents or employees of the PHHC;
2. Any violent or drug related criminal activity on or off the premises; or
3. Any criminal activity that resulted in felony conviction of a household member.

C. INFORMAL SETTLEMENT OF GRIEVANCE (24 CFR 966.54)

Any grievance for any tenant shall be personally presented, either orally or in writing, to the PHHC management office within 14 calendar days of the grievance event. The PHHC will schedule a meeting within 14 calendar days so that the grievance may be discussed informally.

The Informal Settlement shall be conducted by someone other than the Hearing Officer of record. This prevents issues with the selected Hearing Officer should the grievance progress to a Hearing.

A summary of such discussion shall be prepared within 14 calendar days and one copy shall be given to the tenant and one retained in the tenant file.

The summary shall specify the following:

1. Names of the participants
2. Date of meeting
3. Nature of the proposed disposition of the complaint and the specific reasons therefore
4. Procedures for which a hearing may be obtained if the complainant is not satisfied, which must be requested within 14 calendar days of the date of the Informal Settlement Summary.

D. HEARING FOR THE TENANT

RIGHT TO AN HEARING BY THE TENANT

Upon the filing of a written request as provided in these procedures, the following procedures will be followed:

1. First a determination will be made to see if the complaint qualifies as a grievance as defined above.
2. If the complaint does not qualify by the definition above, the tenant will be informed that it does not qualify with the reasons and given the opportunity for an Informal settlement or to pursue their matter through the due process provided by the Court system.
3. If the complaint does qualify for a hearing, the tenant will first be scheduled for an Informal settlement as a pre-requisite to the Hearing. Procedures by which a Hearing may be obtained will be included in the summary of the Informal Settlement should the Complainant not be satisfied with the outcome of the Informal Settlement.

No Hearing will be given to any resident not in good standing with the Port Huron Housing Commission. An escrow account must be established in an amount equal to all amounts owed to the Port Huron Housing Commission and shall be kept up to date up to the date scheduled for the Hearing. Failure to establish an escrow account for the full amount due to the Port Huron Housing Commission shall not constitute a waiver of any rights the resident may have to contest the Port Huron Housing Commission's disposition of their grievance in any appropriate judicial proceedings.

If a grievance concerns the denial of a financial hardship exemption from the minimum rent requirement or the effect of welfare benefit

reductions in the calculation of family income, the requirement for an escrow deposit is waived.

E. PROCEDURES TO OBTAIN A HEARING FOR THE TENANT

1. REQUEST FOR AN HEARING

Any grievance and request for a Hearing shall be submitted in writing to the Port Huron Housing Commission within fourteen (14) calendar days from the date of the Hearing Settlement Summary.

The written request shall state:

- a. The reasons for the grievance; and
- b. The action or relief sought

2. SETTING UP THE HEARING

Subject to the provisions under 24.2 D., within fourteen (14) calendar days of receipt of the request, the Hearing Officer will schedule a hearing. A hearing may be conducted in person, by mail, by telephone, conference call, webcast or video call. The Port Huron Housing Commission will notify the person requesting the hearing of the time, date, place set for the hearing and/or method in which the hearing will be conducted. (Please see notice PIH 2020-32 or successor notice for guidance on remote briefing requirements.)

Due to the time sensitive nature of the Hearing process, it is extremely important that scheduled Hearing times be adhered to. Hearings will only be rescheduled due to extenuating circumstances. Extenuating circumstances must be proven and/or documented in order for the Hearing to be rescheduled.

If the resident fails to appear for the scheduled Hearing, the termination of assistance will stand and the family will be notified of such. The PHHC will consider the failure to appear as the resident's waiver of their right to a Hearing. This action shall not constitute the resident's waiver of any rights they may have to seek judicial proceedings.

3. SELECTION OF HEARING OFFICER

The Hearing shall be conducted by an impartial person or persons appointed by the PHHC who may or may not be an officer or employee of the PHHC. The Hearing Officer shall not be a person who has been involved in the situation for which the Hearing was requested or a subordinate of such person.

The PHHC shall consult the PHHC Resident Advisory Board before appointment of a hearing officer(s). Any comments or recommendations submitted by the RAB shall be considered by the PHHC before appointment of a hearing officer. The RAB will certify they were consulted and are agreeable to the PHHC Hearing officer selection, and will be reflected in Meeting minutes of the RAB.

As agreed upon by the RAB, It has been determined that the Hearing Officer will be the Executive Director of the Port Huron Housing Commission or her/his designee.

F. FAILURE TO REQUEST

Failure to request a Hearing does not constitute a waiver by the resident of the right thereafter to contest the Housing Commission's action in disposing of the complaint in an appropriate judicial proceeding.

G. PROCEDURES GOVERNING THE HEARING

The resident/shall be afforded a fair Hearing, which shall include:

1. The opportunity to examine before the Hearing any Housing Commission documents, including records and regulations that are directly relevant to the Hearing. The resident shall be provided a copy of any such document(s) at the resident's expense. If the Port Huron Housing Commission does not make the document(s) available for examination upon request by the resident, the Housing Commission may not rely on such document at the Hearing.
2. The right to be represented by counsel or other person chosen as the resident's representative and to have such person make statements on the resident's behalf. Notification must be given to the Port Huron Housing Commission prior to the scheduled hearing that representation has been sought and will be present at such hearing.
3. The right to present evidence and arguments in support of the resident's complaint, to controvert evidence relied on by the Housing Commission or development management, and to confront and cross examine all witnesses upon whose testimony or information the Housing Commission management relies; and
4. A decision based solely and exclusively upon the facts presented at the Hearing.

The Hearing Officer may render a decision without holding a hearing if the Hearing Officer determines that the issue has been previously decided at another hearing.

The following accommodations will be made for persons with disabilities:

- a. The Port Huron Housing Commission shall provide reasonable accommodations for persons with disabilities to participate in the hearing. Reasonable accommodations may include qualified sign language interpreters, readers, accessible locations, or attendants.
- b. If the resident is visually impaired, any notice to the resident that is required by these procedures must be in an accessible format.

H. DECISION OF THE HEARING OFFICER

The Hearing Officer shall prepare a written decision, together with the reasons therefore, within fourteen (14) calendar days after the hearing. A copy of the decision shall be sent to the resident and to the PHHC. The PHHC shall retain a copy of the decision in the resident's file. A copy of such decision with all names and identifying references deleted shall also be maintained on file by the Port Huron Housing Commission and made available for inspection by a prospective complainant, his or her representative, or the Hearing Officer.

Should the Hearing Officer require an extension of the fourteen (14) calendar days to make a final decision, they will notify the PHHC and/or the resident in writing prior to the end of the fourteen (14) calendar days with a statement of the reasons for the extension and a statement of the approximate date the final decision will be made.

A decision by the Hearing Officer in favor of the Port Huron Housing Commission or which denies relief requested by the resident, in whole or in part, shall not constitute a waiver of, nor affect in any manner whatsoever, any rights the resident may have to a trial judicial review in any judicial proceedings, which may thereafter be brought in the matter.

24.3 HEARING PROCEDURES FOR DENIAL OF ASSISTANCE ON THE BASIS OF INELIGIBLE IMMIGRATION STATUS (24 CFR 5.514)

The participant family may request that the Port Huron Housing Commission provide for a Hearing after the family has notification of the INS decision appeal, or in lieu of request of appeal to the INS. The participant family must

make this request within thirty (30) calendar days of receipt of Notice of Denial or Termination of Assistance, or within thirty (30) calendar days of receipt of the INS appeal decision.

24.4 CONSIDERATION OF CIRCUMSTANCES

In deciding whether to terminate or deny assistance because of action or inaction by members of the family, decisions will be made in accordance with HUD regulations(24 CFR 960.203 and .204) as well as State and Local law. In cases where consideration of circumstances are allowed, the PHHC may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure. In any case, if the family includes a person with disabilities, the PHHC's decision to deny assistance will consider any reasonable accommodation entitlements in accordance with applicable sections of the Code of Federal Regulations.

The PHHC may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The PHHC may permit the other members of a participant family to continue receiving assistance.

If the PHHC seeks to terminate or deny assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol where there was not court action with a documented date of sentencing completion such use or possession or pattern of abuse must have occurred within one year before the date that the PHHC provides notice to the family of the PHHC determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the PHHC will consider evidence of whether the household member:

- A. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
- B. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
- C. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

25.0 VIOLENCE AGAINST WOMEN ACT POLICY

25.1 VAWA PROTECTIONS

Under the Violence Against Women Act (VAWA) (notwithstanding the title of the statute, protections are not limited to women but cover victims regardless of sex, gender identity, or sexual orientation), public housing residents have the following specific protections, which will be observed by the Port Huron Housing Commission:

An applicant for assistance or a tenant/participant receiving assistance under a covered housing provider may not be denied admission to, denied assistance under, terminated from participation in, or evicted from housing on the basis or as a direct result of the fact that the applicant or tenant/participant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.

An incident or incidents or actual or threatened domestic violence, dating violence, sexual assault, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Commission shall provide each applicant and resident a HUD prescribed Notice of Occupancy Rights and Certification form. It shall also be provided with any notice of eviction. In addition, the Authority shall make an adopted Emergency Transfer Plan and Emergency Transfer Request available upon request.

The Housing Commission shall keep a record of all emergency transfer requests requested under the Emergency Transfer Plan and the outcome of these requests for three years.

The Housing Commission may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence, dating violence, sexual assault, or stalking to family members or affiliated individuals without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member or affiliated individual is not a signatory to the lease. Under VAWA, the Port Huron Housing Commission is granted the authority to bifurcate the lease. The VAWA victim must be the one who retains the assistance.

The Housing Commission will honor court orders regarding the rights of access or control of the property.

There is no limitation on the ability of the Housing Commission to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence, sexual assault, or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.

There is no prohibition on the Housing Commission evicting if it “can demonstrate an actual and imminent threat to other tenants or those

employed at or providing service to the property if that tenant's (victim's) tenancy is not terminated." An actual and imminent threat consists of a physical danger that is real, would occur within an immediate timeframe, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The Port Huron Housing Commission shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Port Huron Housing Commission. Types of acceptable verifications are outlined below, and must be submitted within 14 business days after receipt of the Port Huron Housing Commission's written request for verification.

25.2 VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING

The Port Huron Housing Commission shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Port Huron Housing Commission. The request for verification shall take the form of a written request by the PHHC to the claimant.

- A. Requirement for Verification - The law allows, but does not require, the Port Huron Housing Commission to verify that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Port Huron Housing Commission shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Port Huron Housing Commission.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking may be accomplished in one of the following three ways:

1. HUD-approved certification form - By providing to the Port Huron Housing Commission a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD) at the time of submission, that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse

meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator, only if the name of the perpetrator is safe to provide and is known to the victim.

2. Other documentation - by providing to the Port Huron Housing Commission documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence, sexual assault, or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence, sexual assault or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
 3. Law Enforcement or court record – by providing to the Port Huron Housing Commission a Federal, State, tribal, territorial, or local law enforcement or court record describing the incident or incidents in question.
- B. Time allowed to provide verification/failure to provide - An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking, and who is requested by the Port Huron Housing Commission to provide verification, must provide such verification within 14 business days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action. The submission of false information may be the basis for the termination of assistance or for eviction.
- C. Managing conflicting documentation - In cases where the Port Huron Housing Commission receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the Port Huron Housing Commission may determine which is the true victim by requiring third-party documentation as described in 24 CFR 5.2007 and in accordance with any HUD guidance as to how such determinations will be made. The Port Huron Housing Commission shall honor any court orders

addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household.

25.3 CONFIDENTIALITY

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking, shall be retained in confidence and shall not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for used in an eviction proceeding; or
- C. Otherwise required by applicable law.

The Port Huron Housing Commission shall provide its tenants with notice of their rights under VAWA, including their right to confidentiality and the limits thereof.

26.0 FEDERALLY DECLARED DISASTER/STATE OF EMERGENCY

In the case of a federally declared disaster or state of emergency, the Housing Commission reserves the right for its Executive Director to suspend its preference system what whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted.

Any other provisions of this policy can also be suspended during an emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

In the event that HUD authorizes the Housing Commission to implement waivers from its normal requirements, the PHHC will evaluate any and all, with consideration of what is in the best interest for the Housing Commission, staff and clients. If implementation is the action decided, the Housing Commission will abide by all required measures and/or conditions to ensure compliance with any and all conditions of implementation.

27.0 PRIVACY

The PHHC is strongly committed to protecting the privacy of people dealing with the agency to the greatest degree practical. There are numerous federal privacy laws, regulations, notices, and other requirements that the PHHC follows to the greatest degree practical. Details about these requirements are set forth in PIH Notice 2015-06 and any ensuing publications. The PHHC will educate all of its employees who have access to personally identifiable information (PII) and/or Sensitive Personally

Identifiable Information about these requirements and expect them to appropriately manage and safeguard the information. Employees will also be trained on the proper disposition of said information.

EMERGENCY TRANSFER PLAN

PORT HURON HOUSING COMMISSION
Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Emergency Transfers

The Port Huron Housing Commission (PHHC) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),² the PHHC allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.³ The ability of the PHHC to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the PHHC has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that the public housing and housing choice vouchers program comply with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

² Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

³ Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

To request an emergency transfer, the tenant shall notify the PHHC's management office and submit a written request for a transfer to the Executive Director, or his or her designee, whose office is at **905 – 7th St. Port Huron, MI 48060**. The PHHC will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer must include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the PHHC's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

The PHHC will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the PHHC written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act For All Tenants for more information about the PHHC's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

The PHHC cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHHC will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit.

If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The PHHC may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHHC has no safe and available units for which a tenant who needs an emergency is eligible, the PHHC will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the PHHC will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan. If a unit or voucher is not immediately available, the person requesting the transfer shall be placed at the top of the waiting list, or the emergency waiting list if one exists, as long as they are eligible for the program.
