

PORT HURON HOUSING COMMISSION NO TRESPASSING POLICY

The Port Huron Housing Commission shall serve "No Trespassing Notices" to persons that it has determined to be undesirable. Persons served with a No Trespassing Notice are not allowed to be on the premises indicated of the Port Huron Housing Commission at any time. The local law enforcement agency will be notified of persons in violation of this notice and could be arrested and prosecuted in accordance with state and local laws.

Lists of those who have been served this notice will be published for residents periodically. Residents are encouraged to abide by this policy by not allowing these persons in or outside their homes at any time. Should they violate this policy, eviction may occur. Residents are also encouraged to contact the local law enforcement agency immediately should they see any persons listed on the publication on Port Huron Housing Commission property.
